About the Camp

Highlander Field Hockey Camp is divided into small instructional groups based on age and playing ability. All phases of the game are covered, with emphasis on stick skills, technique and an overall understanding of defensive and offensive aspects of the game. In addition to skill and tactical development sessions, campers will gain valuable experience in small and full field games.

Players who bring a team (6 or more players registering together) will receive a special rate and the advantage of sharpening your high school team's ability to play together.
