## *Planned Giving*

The Radford University Foundation, a registered 501(c)(3) tax-exempt charitable foundation, welcomes gifts for RU of all types. Whether you want to reduce current or estate taxes or benefit from a lifetime income stream, there is a gift plan to fit every objective. Through philanthropic bequests or gifts that provide a lifetime personal income, such as gift annuities or charitable trusts, you may be able to make a larger gift than you think possible.

## *Gift of Securities*

Gifts of appreciated assets, rather than cash, often can be made to Radford University which may provide special tax advantages to you. Giving appreciated stocks, bonds or mutual funds can allow for the avoidance of capital gains taxes and, in most instances, a charitable deduction for the full fair market value of the gift.

To confidentially learn more about how you can remember RU in your estate plans or about the benefits of making gifts of securities, please contact University Advancement at (540) 831-5108.

## *Matching Gifts*

Leverage your gift for free! If you or your spouse's employer has a matching gift program, you can double or even triple your gift to Radford University. Please check with your employer to obtain a matching gift form. It's that simple!
