Sports Medicine Application

Please provide evidence of your ability to meet the admission requirement listed below by attaching a copy of your RU transcript or other transcripts. Unofficial copies of your documents are acceptable. Please sign the application at the bottom of this form indicating that you understand the requirements for admission and retention in the Sports Medicine concentration.

Admissions Policy

In order to apply for admission into the Sports Medicine Concentration, a student must:

1. Have a cumulative GPA of 3.0 or higher from all post secondary schools attended including RU with sophomore standing. Transfer students must complete one semester at Radford prior to admission. Current GPA____________

2. Pass the following courses with a “B” or better:
   - BIOL 105, Biology for Health Science: Transfer equivalents and/or substitution courses that can be used as Radford University approved substitutions, will be considered on a case by case basis. Course and grade____________
   - BIOL 310 or 322, Human Structures and Function (note: BIOL 322 can be used as an entry requirement, but it is not the required course for Sports Medicine majors). Course and grade____________
   - MATH 137/138 (College Algebra or Precalculus Function Analysis) or higher level math: Transfer equivalents and/or courses that can be used as Radford University approved substitutions, will be considered on a case by case basis. Course and grade____________
   
3. Have a cumulative math and science GPA of 3.0 (consists of any courses with a Biology, Chemistry, Physics, Mathematics or Statistics Prefix. Current Science GPA ______________

4. Program Retention: Students must maintain a 3.0 GPA or higher to be retained in the program. Those who fall below a 3.0 for one semester can be removed from the concentration. Only those who show extreme hardship causing the decline in GPA will be retained. This decision will
be made by the concentration faculty and the department chair. Those that drop below a 3.0 for two consecutive semesters will be removed from the concentration regardless of circumstances.

5. Application Procedure: Students must meet the criteria listed above in order to be admitted to upper division courses in the program. Applications and supporting materials are to be submitted by January 31\textsuperscript{st} of the spring semester of the sophomore year or once the student has completed 40 hours – which ever happens first. If January 31\textsuperscript{st} falls on the weekend, then it is due the following Monday. Applications are to be turned into the Department of Health and Human Performance. Students who do not submit a complete application by the deadline will not be allowed to enroll in upper division courses.

I have read and understand the requirements for admission and retention in the Sports Medicine Concentration

Provisional Admission Request
If a student has not completed the required courses for admission (Current Application #2), he/she may request provisional admittance. Please report the courses not completed and the rationale for admission prior to pre-requisite course completion.

Hardship Permission Request
Current Sports Medicine students who fall below a 3.0 GPA can be removed from the program (Current Application #4). Please report the hardship request to remain in the program if the GPA is below a 3.0.
