III. Dean’s Report

A. CHBS Advisory Board - added eleven new members, now has thirty-five members. Looking to expand contacts in Virginia Beach, Atlanta, Charlotte and also the Northern Virginia/Washington DC/Maryland area. Kudos to COMS and CRJU whom are working on developing their own advisory boards.

B. CLA Administration (Fall 2014 and Spring 2015) – it has been determined that for Fall 2014 PSYC121 will be able to facilitate the need for 200 freshman. A sample of seniors will be needed for Spring 2015.

C. Personnel Timeline – reminder to all to be aware of the personnel timeline dates. These are available on the Academic Affairs calendar through the Provost Office webpage.

D. Budget

   a. Academic Affairs continues to work with the Budget Office in monitoring developing budget issues in the Commonwealth.

   b. Since a drop in transfer student enrollment has been identified as one area that contributed to the budget shortfall, RU is looking to encourage, develop and increase relationships with various community colleges across the state.

   c. RU Admissions office is bringing high school guidance counselors on campus in February 2015.

   d. Reiterated no layoffs, no furloughs and classes will continue after Thanksgiving break.

E. New Initiatives – there is a call for new initiatives; however for FY15, they have to be funded through the reallocation of current funds.

F. RU Futures group will be meeting October 31st and November 1st; the meetings will be facilitated by Dr. Tay Keong Tan. The group will be working to identify ways to position the university for success in the future.

IV. New business

   None

V. Good of the order

- LCI at VT welcoming faculty and staff to take Dr. Fu’s Chinese class over in Blacksburg on Tuesdays at 5:30pm.
- RFP currently under consideration for language learning software that would be free for all RU faculty, staff and students. This would be “not for credit.”
