Experience Spain

Spend an exciting summer in Spain practicing your Spanish language skills. Take your education out of the university classroom and experience architecture, art, dance, music, religion, cultural traditions, and more. Spain is home to a great number of famous artists and architects and a great place to learn the historical greats as well as up and coming artists of today.

Spain also has a history of notable musical accomplishments, such as flamenco and Spanish guitar music, and the place to experience a deep and passionate musical culture, whether you’re a serious musician or not.

If you are a student of the arts, history, political science, or have a personal interest in Spanish culture, you will have the opportunity to visit some of the 44 UNESCO World Heritage Sites, many of which are located in Barcelona, Bilbao, Granada, and Cordoba.
