Community Project Assessment (Initiation)

To evaluate the contributions our students have made and enhance the quality of the service Radford University renders to local communities, we ask that our community partners complete brief questionnaires prior to the project’s initiation and following its completion. Thank you in advance for your assistance!

1. Is this the first time you have partnered with Radford University in a project of this type?
   
   ____ Yes   ____ No

2. Why have you chosen to partner with Radford University in this project?

3. What goal(s) do you hope the project will achieve?

4. When the project is completed, will you expect the RU student(s) to deliver any “product” (e.g., a summary report, analysis, or presentation)? If so, what do you expect?

5. What are your personal current impressions of the quality of Radford University and its students?

6. What impressions do you believe others in your community/group/organization have about the quality of Radford University and its students?
