Online Orientation

To begin, you must self enroll. To do this, choose the Self Registration tab, along the top of the new D2L home page.

Once there, scroll down until you see the Student Orientation to Online Learning:

One you locate the course, you can click on the title and then “enroll” and you will see your enrollment status change to “enrolled.”
You will see the course added to your course listing on the D2L home page within a matter of minutes and you can begin!
