CALL TO ORDER
Dr. Debra “Deb” K. McMahon, Chair, formally called the meeting to order at 3:30 p.m. in the Executive Conference Room, second floor, Martin Hall, Radford University, Radford, Virginia.

APPROVAL OF AGENDA
Dr. McMahon requested a motion to approve the December 7, 2017 Student Affairs Committee agenda as published. Dr. Susan Whealler Johnston so moved, and Dr. Jay A. Brown seconded. The motion carried unanimously.

APPROVAL OF MINUTES
Dr. McMahon requested a motion to approve the September 14, 2017 Student Affairs Committee minutes, as published. Dr. Brown so moved, and Dr. Whealler Johnston seconded. The motion carried unanimously. Minutes are available at https://www.radford.edu/content/bov/home/meetings/minutes.html.
Student Government Association Report
Ms. Julianna Stanley, President of the Student Government Association (SGA), updated the committee on fall 2017 SGA events. Events included: a freshmen cookout hosted by President Brian O. Hemphill, a winter coat drive to support Helping Eradicate Homelessness through Resources Opportunities and Supplies (HEHROS), the campus safety walk, and a K-cup recycling drive. Her presentation also included legislation and community involvement initiatives for SGA. The SGA is discussing the current Radford University smoking policy and student concerns regarding this issue. The SGA Student Finance Committee is working on a pilot program to offer students with financial need an interest-free student loan in support of tuition, fees, and/or books. A copy of Ms. Stanley’s report is attached hereto as Attachment A and is made a part hereof.

Housing Occupancy and Retention Update
Dr. Jamie Penven, Director of Housing and Residence Life, and Dr. Andrea Zuschin, Interim Associate Vice President for Student Affairs and Dean of Students, provided the combined housing and retention update and fall to date numbers. Dr. Penven also discussed the partnership with High Impact Practices, and expanding on the recent success of programs. One example of that success is the Living Learning Community, which has an increase in fall-to-fall retention of new freshmen. Dr. Zuschin discussed the use of data analytics and noted improvements in the process with examples, such as freshmen mid-term GPA statistics and withdrawals. A copy of Dr. Penven and Dr. Zuschin’s report is attached hereto as Attachment B and is made a part thereof.

Student Affairs Report
Ms. Susan Trageser, Interim Vice President for Student Affairs, provided the Division of Student Affairs report. Updates included: the new student counseling staffing model, typical reasons students seek counseling services and measures taken to assist them. The Division of Student Affairs has also been collaborating with academic departments and faculty to offer alcohol, drug and sexual assault prevention education services. Student Affairs fall 2017 activities include: the Outdoor Nation Challenge, a national physical activity competition in which Radford University finished first in Virginia and third nationally. The Radford City Bobcat Backpacks Program food drive was a success, collecting over 15,000 items supporting area students.

Ms. Trageser concluded with an update on the Student Success goals and strategies in the Radford University 2018-2023 Strategic Plan. The initial assessment of program and department collaborations and planning has begun. A copy of Ms. Trageser’s report is attached hereto as Attachment C and is made a part thereof.

ACTION ITEMS
Recommendation of Resolution for Approval of Required Immunization Records for Student Admission
Dr. McMahon discussed the recommended changes of the current required immunization records for admitted students and compared the proposed changes with other Virginia public four-year institutions. Dr. McMahon requested a motion to recommend to the Board of Visitors the
resolution for approval of required immunization records for student admission. Dr. Brown so moved, and Dr. Whealler Johnston seconded. The recommendation passed unanimously. The resolution is attached hereto as Attachment D and is made a part thereof.

**ADJOURNMENT**
With no further business to come before the Committee, Dr. McMahon requested a motion to adjourn the meeting. Dr. Whealler Johnston so moved, and Dr. Brown seconded. The motion carried unanimously and the meeting adjourned at 4:40 p.m.

Respectfully submitted,

Ms. Jenni Tunstall  
Executive Assistant to the Vice President for Student Affairs  
Secretary to the Committee

Living-Learning Communities

The Problem
First year student retention has hovered at 75%. Interventions were needed to increase our Fall-to-Fall retention of freshman.

Our Response
First Year Living-Learning Communities (LLC) featuring:
• faculty-led teams driving the community development, and
• students living together in the same residence hall, taking 1-2 classes and participating in co-curricular programming.

Questions?
Integrating Health and Wellness

Goal

Create a positive and active campus where health and wellness are woven into everyday operations and academic mandates providing a welcoming, educational and healthy environment for our students, faculty and staff.
Statistics

• More than 80% of adults do not meet the guidelines for both aerobic and muscle-strengthening activities.
• More than 80% of adolescents do not do enough aerobic physical activity to meet the guidelines for youth.
• Working together to meet Healthy People 2020 targets via a multidisciplinary approach is critical to increasing the levels of physical activity and improving health in the United States.

Referenced from: Center for Disease Control and Prevention, Healthy People 2020, American College of Sports Medicine
Concept taken from the Okinagan Charter

• An international charter for Health Promoting Universities and Colleges-- Infuse health into everyday operations, business practices and academic mandates.

• 45 countries, 225 people, 380 delegates, World Health Organization, Pan American Health Organization and United Nations Educational joined the pledge to catalyze further action towards the creation of health promoting universities and colleges.
JED Foundation Partnership

Radford University has joined JED Campus, a nationwide initiative of The Jed Foundation (JED) designed to guide schools through a collaborative process of comprehensive systems, programs and policy development with customized support to build upon existing student mental health, substance abuse and suicide prevention efforts.
Approximately 140 Universities have partnered with the JED Foundation to improve the health and well-being on their respective campuses.

JED assessed Radford University and provided a 4-year strategic plan.

Health and Wellness Task Force is using the plan to help guide our mission in improving student well-being.
Strategic Plan

- The campus-wide Health and Wellness Task Force formed to consolidate the various sub committees relating to Suicide Prevention, Healthy Minds/Healthy Body, and JED team in order to provide a one-stop “Wellness Hub” for all the services, programs, offices, events related to health and wellness components.

- Membership is broad to assist in communicating campus wide.
Outcomes from Health and Wellness Task Force

• RA/RDs trained in Talk Saves Lives, Suicide Prevention.
• Partnership with American Foundation Suicide Prevention (AFSP).
• Presented to SGA and Student Senate to gain partnership and support of increasing Suicide Prevention training efforts.
• Hosted campus speaker targeting Suicide Prevention (Dennis Gillan).
• Student Counseling Services working with Dean of Students Office for post-hospitalization follow up care.
Referral System Counseling to and from Recreation and Wellness

• Student Counseling Services is experiencing high demand.
  - Current statistics
  - Top reasons students seek counseling: Anxiety & Depression

• Proactive vs. Reactive.

• Exercise is Medicine: Time Magazine Article; Book - “SPARK,” NASPA Article.

• Challenge: Catching Issues “Upstream”- building resiliency, connectedness, emotional stability, positive attitudes, etc.
