

GENERAL FURNITURE INFORMATION

Presented below is a summary of the types of furniture you can generally expect when you arrive on campus in the fall. You may, however, find some variations in dimensions. **Please note:** Due to the multiple demands on our staff, we are unable to provide information about specific rooms, including room size. In general, a 10' x 15' carpet fits in every room. One great way for you and your roommate(s) to make the transition to Radford University is to spend some time arranging your room in a way that pleases everyone.
