Dear Student:

Congratulations on your acceptance to Radford University. The staff of the Student Health Services look forward to assisting you with your health care. In order to do this more effectively, we need your health information on or before the due date (see top of next page).

The completion of the medical and immunization information is required by the Commonwealth of Virginia Law (Code of Virginia, Section 23-7.5) and Radford University prior to attending class. If the completed form is not received, the law requires that you be prevented from class registration for the second semester.

The immunization and medical history may be obtained from your health care provider, the health department or most recent school attended. This form does not require a physical but does require the signature of a health care provider. You may fax the form to 540-831-6638 but the original completed form MUST be mailed to:

Radford University Student Health Services
PO Box 6899
Radford, Virginia 24142

Please refer to our Radford University Student Health website or contact our office at 540-831-5111 if you have any questions.

Sincerely,
Abby Mundy
Director, Student Health Services

CHECKLIST:

☐ Completed health record with provider signature after immunization information and after TB risk assessment prior to attending class.

☐ Medical records (If you have chronic/serious medical problems, you should provide a summary from your health care provider to the student health center. This may be attached to this form.)

IMPORTANT ITEMS TO REMEMBER TO BRING WITH YOU TO RADFORD:

☐ Health Insurance Card (Be advised to carry you health insurance card with you at all times. You also need to know what coverage you have and how to contact the health insurance company if needed.)

☐ Prescriptions (You should have a record of your prescriptions including doses and reasons for medication.)

☐ First aid supplies (Digital thermometer, cold pack, first aid kit with band-aids, antibiotic ointment, ibuprofen, tylenol, etc.)

☐ List of allergies to medications and foods (This also needs to be included on the required health record form.)
COMMONWEALTH OF VIRGINIA LAW AND/OR RADFORD UNIVERSITY REQUIRES THAT THE HEALTH RECORD FORM AND CERTIFICATE OF IMMUNIZATION BE COMPLETED AND SUBMITTED TO THE STUDENT HEALTH CENTER PRIOR TO ENROLLMENT AT RADFORD UNIVERSITY.

Send directly to: Student Health Center, Radford University, P.O. Box 6899, Radford, VA 24142

This completed form must be returned by June 1 for fall semester and December 1 for spring semester.

Personal Information

### HEALTH CARE PROVIDER SIGNATURE

Printed Name ________________________________ Phone ________________________________
Address ____________________________________________________________________________

Signature ________________________________ Date ________________________________

### MEDICAL EXEMPTION

□ DTP □ Td □ Hepatitis B □ Measles □ Rubella □ Mumps □ Meningococcal Vaccine □ OPV

As specified in §23-7.5 of the Code of Virginia, I certify that administration of the vaccine(s) designated above would be detrimental to this student’s health.

The vaccine(s) is (are) specifically contraindicated because ____________________________________________

This contraindication is □ permanent (or) □ temporary and expected to preclude immunization until ____________________________________________

Signature of Physician or Health Department Official __________________________ Date __________________________

†MEDICAL EXEMPTION: Any student who objects on the grounds that administration of immunizing agents conflicts with his religious tenets or practices shall be exempt from the immunization requirements unless an emergency or epidemic of disease has been declared by the Board of Health. An affidavit of religious exemption must be submitted on a Certificate of Religious Exemption (Form CRE-1) which may be obtained at any local health department, school division superintendent’s office or local department of social services.

†Religious Exemption: Any student who objects on the grounds that administration of immunizing agents conflicts with his religious tenets or practices shall be exempt from the immunization requirements unless an emergency or epidemic of disease has been declared by the Board of Health. An affidavit of religious exemption must be submitted on a Certificate of Religious Exemption (Form CRE-1) which may be obtained at any local health department, school division superintendent’s office or local department of social services.

This form will not be accepted if not signed by a health care provider.

IMPORTANT REQUIREMENT
Commonwealth of Virginia Law and Radford University require all students to submit a health record with documented immunizations. This MUST be signed by a health care provider.

In case of an incomplete immunization record, preregistration for the following semester will be blocked.

The following immunization record must be completed by a physician or licensed health professional.

All immunizations must be current.

CERTIFICATE OF IMMUNIZATION*

Do NOT send copies of immunization records – immunizations must be entered on this form and signed by a health care provider.
TUBERCULOSIS SCREENING: REQUIRED OF ALL STUDENTS

Fill out the first section and take to your health care provider with your immunization record

Name ___________________________ Date of Birth: ___/___/______ Student ID Number: ______________

TO BE COMPLETED BY YOUR HEALTH CARE PROVIDER. TB screening must be completed within six months.

Please answer the following questions.

1. Does the student have signs or symptoms of active TB disease? □ YES □ NO
   - If NO, proceed to question 2.
   - If YES, proceed with additional evaluation to exclude active TB disease including tuberculin skin testing, QFT-TB test, chest x-ray and sputum evaluation as indicated. Documentation required that all tests are negative or that treatment is effective and student free of communicable disease.

2. Is the student a member of a high-risk group? □ YES □ NO
   - Categories of high-risk students include those: with HIV infection; who inject drugs; who have resided in, volunteered in or worked in high-risk congregate settings such as prisons, nursing homes, hospitals, residential facilities for patients with AIDS, or homeless shelters; and those who have clinical conditions such as diabetes, chronic renal failure, leukemias or lymphomas, low body weight, gastrectomy and jejunoileal by-pass, chronic malabsorption syndromes, prolonged corticosteroid therapy (e.g. prednisone > 15 mg/d for > 1 month) or other immunosuppressive disorders.
   - If NO, continue to question 3.
   - If YES, Perform TST or obtain QFT (preferred). If positive TST, obtain QFT.
     - TST: Date given: ___/___/______ Date read: ___/___/______ Result: _________mm (transverse induration
     - OR QFT-TB: Date obtained: ___/___/______ Result: □ Positive □ Negative
       - If positive QFT, see INTERPRETATION below.
       - INTERPRETATION (based on mm of induration as well as risk factors) □ Positive □ Negative
         - If positive, please obtain QFT: Date obtained: ___/___/______ Result: □ Positive □ Negative
         - If positive QFT, obtain CXR: Date: ___/___/______ Result: □ Normal □ Abnormal
           - If abnormal CXR, return to Question 1 - yes
         - If normal CXR, INH initiated Date: ___/___/______ Completed: ___/___/______

3. Was the student BORN in, LIVED or TRAVELED to countries OTHER THAN those on the following list? □ YES □ NO
   - Albania, American Samoa, Andorra, Antigua and Barbuda, Aruba, Australia, Austria, Bahamas, Barbados, Belgium, Bermuda, British Virgin Islands, Canada, Cayman Islands, Chile, Cook Islands, Costa Rica, Cuba, Curacao, Cyprus, Czech Republic, Denmark, Dominica, Egypt, Finland, France, Germany, Greece, Grenada, Iceland, Ireland, Israel, Italy, Jamaica, Jordan, Lebanon, Luxembourg, Malta, Monaco, Montenegro, Montserrat, Netherlands, New Zealand, Norway, Oman, Puerto Rico, Saint Kitts and Nevis, St. Lucia, Samoa, San Marino, Saudi Arabia, Slovenia, Spain, Sweden, Switzerland, Tokelau, Tonga, Trinidad & Tobago, United Arab Emirates, United Kingdom, United States Virgin Islands, West Bank and Gaza Strip, United States of America
   - IF NO, Please sign below.*
     - If YES, obtain QFT: Date obtained: ___/___/______ Result: □ Positive □ Negative (If negative, sign form below)
       - If positive QFT, obtain CXR: Date: ___/___/______ Result: □ Normal □ Abnormal
         - If abnormal CXR, return to Question 1 - yes
       - If normal CXR, INH initiated Date: ___/___/______ Completed: ___/___/______

*HEALTH CARE PROVIDER SIGNATURE

Signature required as validation of correct information for TB assessment

Signature required as validation of correct information for TB assessment

NOTE: Current CDC Guidelines recommend treatment of positive results. To verify positive TST results, a serology IGRA (QFT) should be obtained. A CXR only confirms active disease and does not rule out latent disease.
