A WORD FROM THE CAMP DIRECTOR

Here at SSSC we have created environments for all types of players. Our Elite and Team Camp is aimed at the serious soccer player who aspires to play at the collegiate level. As director, I have designed a curriculum which will challenge the elite and serious soccer player. For the beginner and recreational player, our Day Camp curriculum focuses on fundamental development while maintaining a fun environment. We believe all campers will have a great experience at our camp. I hope to see you this summer!

“SSSC Team Camp provided a wonderful balance of fun and development in a very safe soccer environment. The facilities are outstanding and the university experience was extremely beneficial. Our team couldn't have been happier with our camp experience and I highly recommend the SSSC to any individual or team.”
