## of *One World Renaissance*

“This book casts an important light on the possibility for building world government as an evolutionary process. . . The book is visionary and appears at a time when the speed of change and the perceived failings of current institutions call out for just such a vision.”

—**Marc Pilisuk, Ph.D., Professor Emeritus, Saybrook University; principal author, *The Hidden Structure of Violence: Who Benefits from Global Violence and War***

“*One World Renaissance* is incredibly rich with insights, wisdom, and scholarship. All of humanity should be reading this remarkable book, which offers profound solutions to our global predicament.”

—**Barbara Marx Hubbard, renowned futurist and author of *Conscious Evolution***

“Dr. Glen Martin is a global visionary who combines brilliance, heart and integrity. He’s a renowned activist for world democracy who clearly outlines the practical infrastructures needed to create a just and sustainable world. It is my hope that people everywhere will listen to Glen’s messages so that together we can go beyond the current global crises to a new level of human evolution.”

—**Philip M. Hellmich, Director of Peace, The Shift Network; author of *God and Conflict***

“Dr. Glen Martin’s realistic narrative concerning the present world predicament must be seriously considered by all right-thinking people on earth.”

—**E. P. Menon, author, global activist, and founder of the India Development Foundation**

“This book by the well-known philosopher and humanist Dr. Glen Martin is extremely important as it concerns the most critical issues of our time –

including the question of the very survival of humankind. It gives us hope that we won't finally lose control over events in our troubled world."

**—Alexander N. Chumakov, Chair of Philosophy Department of Financial University under the Government of the Russian Federation, First Vice-President of the Russian Philosophical Society**

"A must read for all intellectuals, activists, and revolutionaries frustrated and shaken by perpetual war and chaos. Using the tools of philosophical analysis, Professor Martin helps us understand why the United Nations and the peace movement have been unsuccessful, and introduces the Earth Constitution as the powerful new social contract necessary to end global chaos and perpetual war."

**—Roger Kotila, PhD., Senior Fellow, Institute on World Problems, USA Vice President, World Constitution and Parliament Association**

"Drawing support from leading philosophers and scientists, Dr. Martin proves that a federated Earth is the wisest and only practical answer to our global problems."

**—Rev. Laura M. George, J.D., Executive Director of the Oracle Institute**
