

Debriefing Form

Thank you for participating as a research participant in the present study concerning your view of close relationships (Attachment) and disgust (Disgust Sensitivity). The present study tests whether attachment styles and gender roles influence disgust sensitivity.

Again, we thank you for your participation in this study. If you know of any friends or acquaintances that are eligible to participate in this study, we request that you not discuss it with them until after they have had the opportunity to participate. Prior knowledge of questions asked during the study can invalidate the results. We greatly appreciate your cooperation.

If you have any questions regarding this study, please feel free to ask the researcher at this time. or Dr. Aspelmeier (email: jaspelme@radford.edu; telephone: 540 831-5520).

In the event that you feel psychologically distressed by participation in this study, we encourage you to call Dr. Jeff Aspelmeier, Box 6946, Department of Psychology, Radford University, Radford, VA 24142. (540) 831-5520. If you are feeling distressed and are unable to contact a person associated with this study, please contact the Counseling center at Radford University at (540) 831-5226.

Thanks again for your participation.
