

Lecture and Reading Outline Sec 03:

This outline can only be an approximate guide, since dates for particular lecture topics can only be approximate and since material may be added or deleted. The dates and material for the exams will be as listed, however, unless changes are absolutely necessary. If changes affecting exams are made, they will be announced in class as soon as possible. Lecture dates in this outline are used to identify lecture topics to covered on exams. On the class day immediately before an exam, there will be time for questions, etc.
