## President's Message

I trust that all of you have had an opportunity to enjoy your break from the world of teaching, and that my letter to you finds that you are rejuvenated and ready to tackle the remainder of this academic year.

If you have not mailed in your dues to our Treasurer, Leonard Ball, this is a reminder to do so. Our dues support funding for our annual forum and providing for the awards we give to our graduate and undergraduate composition contest winners. Please mail your dues to: Dr. Leonard Ball, SCL Treasurer, 175 Windfall Drive, Winterville, GA 30683.

I am looking forward to seeing you, and many of your students, in Chattanooga in February.

I wish each and every one of you a Happy New Year!  
Greg Carroll

Hi Folks,

**REQUEST:** To facilitate getting the program booklets done, it would be SUPER helpful to have your program notes and bios in electronic form, either in the text of an e-mail or as an attached Word document. I am short on administrative help for re-typing hard copy notes. Please note that I do not have access to any word processing program other than Microsoft Word. Also, while I can copy text from PDF documents, the formatting issues sometimes make that more trouble.

I already have e-notes from Joe Alexander, Roger Vogel, and Mark Chambers, and an e-bio for Ken Davies.

If everyone else could send these ASAP, I would be very grateful.

## Member News

Byron Petty's CD, *Traveler's Tales*, was released in January, 2007 on the Capstone Record label. It contains recent chamber compositions from 2003-2006 performed by members of the ARDO CONSORT and is available through the website [www.capstonerecords.org](http://www.capstonerecords.org) (CPS-8776) or through Albany Records.

In February of 2007, *Mysteries of the Orchard* for mixed ensemble and prepared CD was performed at two concerts (Washington & Lee University, VA / Radford University, VA) by Alum celebrating the 150<sup>th</sup> Anniversary of the Peabody Conservatory of Music, and in April, the Elon University Orchestra, under the direction of Dr. Thomas Erdmann, premiered *Moon-Shadows* for small orchestra. Petty has just completed a commission for the Rockbridge Community Orchestra of Virginia titled *Nocturne* and his composition *Fire Henge* for flute and organ (2004) has been selected by University of Tennessee Chattanooga faculty for performance at the SCL Forum on February 16, 2008.

The University of Missouri Brass Quintet premiered Kenyon Wilson's *Trifecta* on November 6, 2007. *Trifecta* is scored for solo trombone with brass quartet accompaniment. William Mann, Assistant Professor of Trombone at the University of Missouri, was the soloist.

## Member News (continued)

Terry Vosbein's newest composition *The Peregrination Suite*, a commission by pianist Alexandre Dossin, will be premiered in Lexington, Virginia in March followed by a performance in Eugene, Oregon in April. Also on the Eugene program will be his *Village Scenes* for alto sax and piano, performed by Idit Shner and David Riley.

Vosbein has been awarded a residency at the Cite Internationale des Arts in Paris to compose a concert of large-ensemble jazz works. He will spend the first four months of 2008 composing music inspired by his recent research in the Stan Kenton archives at the University of North Texas.

This mammoth Kenton research project, sponsored by the Hewlett-Mellon foundation, has recently been published online at [www.macusa.com/kenton](http://www.macusa.com/kenton) and Vosbein will be giving a presentation of his results in February at the Lionel Hampton Jazz History and Culture Conference in Moscow, Idaho.
