Accessing IRBNet Training Material

Step One: Navigate to the IRBNet Training Resources web page:

http://irbnetresources.org/tresources/training.html

Step Two: Use the following login information to access the resources:

Username: radford
Password: training1

NOTE: DO NOT use the above username and password when creating your own account or otherwise logging into IRBNet!!!*

Step Three: Select the resources you need to help you develop and submit your research protocol, including viewing two 7-9 minute instructional videos.

*Please create a username similar to your RU user name so that we can recognize you in the system (both IRBNet and CITI) but we highly recommend that you use a different password than your RU password for both IRBNet and CITI.
