Resolution Passed by the Senate Resource Allocation Sub-committee

Whereas, use of Radford University gym facilities is one of the privileges of Emeritus Faculty;

Whereas, social interaction of faculty and students outside of the classroom is to be welcomed;

Whereas, it is important to have healthier faculty on campus;

Whereas, students seeing faculty outside of the classroom is desirable;

Whereas, it would be a continuation of historical precedents at the RU campus of joint use of facility by students and faculty that prevailed at the Dedmon Center and Peter’s Hall;

Whereas, there must be equal opportunity for stress release and wellness between students and faculty;

Whereas, the Vice President of Student Affairs and the Dean of students are both big advocates of faculty involvement in the recreational environment of the students and there is nothing better than the gym;

Whereas, the RU marketing and branding consultants make special mention of student teacher interaction outside of the classroom; now, therefore be it

Resolved that Radford University Faculty should be provided access to and use of the new RU Fitness Center.
