Course Content Waiver Form

Students and parent should be aware that many Governor’s School courses are taught as college courses, and as such, they may contain mature content. This may include sensitive matters such as religion, violence, gender issues and human sexuality, war, politics, and other issues that encompass the realm of college level considerations and discussions.

My child, ________________________________________,

_______ has my permission to enroll in courses that may, from time to time, involve sensitive material

_______ DOES NOT have my permission to enroll in courses that may, from time to time, involve sensitive material. If you choose this options, your child’s courses will be assigned by the Director.
