

# Expenditure Account Codes

All expenditure account codes in Banner begin with 6 (personal services) or 7 (non-personal services). This document contains a listing of all expenditure account codes, beginning with the 'Account Hierarchy Quick Reference' that displays all non-personal services expenditure codes at the account pool level and a detailed listing of all authorized codes and definitions that define for what purpose each code should be used. All expenses must comply with Commonwealth and University policy and procedures. Questions concerning the appropriate use of an account code should be directed to Accounting Services.

<b>715170</b>	Boiler and Machinery	Include expenditures for insurance coverage of energy equipment.

**Capital Lease Payments** include expenditures for computer equipment, computer software, equipment, plant, and property capital lease payments. Use these codes when leases have the substance of purchase in which ownership of the asset often changes hands.

<b>715210</b>	Computer Capital Leases	Include expenditures for capital lease agreements for computer equipment, excluding mainframe computers or large enterprise servers with high processing capacity.
<b>715220</b>	Central Processor Capital Leases	Include expenditures for capital lease agreements for central processor equipment like mainframe or large enterprise servers with high processing capacity.
<b>715230</b>	Computer Software Capital Leases	Include expenditures for capital lease agreements for mainframe or large enterprise servers, application software, utility programs, and operating system software.
<b>715240</b>	Equipment Capital Leases	Include expenditures for capital lease agreements of equipment. Exclude expenses chargeable to accounts #715210 and #715220.
<b>715250</b>	Building Capital Leases	Include expenditures for capital lease agreements of structures or part of a structure.
<b>715260</b>	Land Capital Leases	Include expenditures of capital lease agreements of property only.
<b>715270</b>	Land and Building Capital Leases	Include expenditures for capital lease agreements for both land and a building combined in one agreement.

**Operating Lease Payments** include expenditures for computer equipment, computer software, equipment, plant and property operating lease payments and rentals. Use these codes when leases do not have the substance of purchases and ownership of the asset does not change hands.

<b>715310</b>	Computer Rentals (not mainframe)	Include expenditures for operating leases of computer equipment, excluding mainframe computers or large enterprise servers with high processing capacity.
<b>715320</b>	Computer Processor Rentals	Include expenditures for operating leases of central processor equipment like mainframe or large enterprise servers with high processing capacity.
<b>715330</b>	Computer Software Rentals	Include expenditures for operating leases of central processor equipment like mainframe or large enterprise server computer application software, utility programs, and operating system software.
<b>715340</b>	Equipment Rentals	Include expenditures of a lessee for the operating leases of equipment. Exclude expenditures chargeable to accounts #715310, #715320, #715330, and #715341.
<b>715341</b>	Copier Rental/Lease	Include expenditures to rent or lease copy equipment.
<b>715350</b>	Building Rentals	Include expenditures of a tenant for the use of a structure or part of a structure. Also, Selu Conservancy and Bondurant Center for the Arts.
<b>715360</b>	Property Rentals	Include expenditures of a tenant for the use of land.
<b>715370</b>	Land & Building Rentals	Include expenditures for operating leases of both land and a building combined in one agreement.

**Service Charges** include expenditures for agency service charges, electrical service charges, refuse service charges, and water and sewer service charges.

<b>715410</b>	Agency Service Charges	Include expenditures for specialized activities or services provided by State agencies to other State agencies. Include allocations of physical plant costs.

<b>715550</b>	Workers' Compensation	Include expenditures for workers' compensation coverage on all State employees.

**Installment Purchases** include expenditures for computer equipment installment purchases, computer software installment purchases, equipment installment purchases, plant installment purchases, and property installment purchases. Use these codes when there is agreement to purchase an asset in installments and ownership changes hand at the beginning of the agreement.

<b>715610</b>	Computer Peripheral Installment Purchases	Include expenditures for installment purchases of computer equipment, excluding mainframe computers or large enterprise servers with high processing capacity.
<b>715620</b>	Computer Processor Installment Purchases	Include expenditures for the installment purchases of computer central processor equipment like mainframe or large enterprise servers with high processing capacity.
<b>715630</b>	Computer Software Installment Purchases	Include expenditures for the installment purchases of application software, utility programs, and operating system software for mainframes or large enterprise servers with high processing capacity.
<b>715640</b>	Equipment Installment Purchases	Include expenditures of an installment purchase for equipment. Exclude expenditures chargeable to accounts #715610, #715620, and #715630.
<b>715650</b>	Building Installment Purchases	Include expenditures of an installment purchase of a structure.
<b>715660</b>	Land Installment Purchase	Include expenditures of an installment purchase for land.

## 7151 – Auxiliary Indirect Costs

**Auxiliary Indirect Costs** includes expenditures for specialized activities or services provided the Educational and General programs.

<b>715411</b>	Auxiliary Indirect Costs	Include expenditures for specialized activities or services provided by Educational and General programs.
---------------	--------------------------	---

## 7159 - Other Continuous Charges

*Include indirect cost recoveries from Auxiliary programs for continuous charges, late payment penalties for continuous charges, and intra-agency recoveries for continuous charges.*

<b>715960</b>	Indirect Cost Recoveries from Auxiliary Programs for Continuous Charges	Include only the required recovery of indirect costs of continuous charges from Auxiliary Enterprise service areas.
<b>715970</b>	Late Payment Penalties for Continuous Charges	Include expenditures for charges assessed by vendors for the late payment of invoices for continuous charges pursuant to the Prompt Payment Act.
<b>715990</b>	Intra-Agency Recoveries for Continuous Charges	Recovery of the cost of continuous charges incurred by programs or service areas within the same agency or agencies under the auspices of a single board or commission.

## 7210 – Property and Improvements

*Include expenditures for property and improvements acquisition, natural resources acquisition, and site development.*

**Acquisition of Property and Improvements** include expenditures for acquisitions as well as associated costs of property, rights-of-way, and waterways.

## 7220 - Equipment

*Include expenditures for computer processing, educational, cultural, electronic, photographic, medical, laboratory, motorized, office, specific use, and stationary equipment.*

**All approved equipment trust fund purchases must be coded to the corresponding equipment account code ending in “C.”**

**Computer Hardware and Software** includes expenditures for computing platforms (mainframes to hand held), other equipment, and software.

<b>72211C</b>	Desktop Client Computers (microcomputers) Controllable	<b>Use this account code for all purchases of desktop client computers.</b> Include any stationary desktop workstation, including desktops that have been provided by the agency for telecommuters. Include technologies typically used by individuals to enhance productivity. Examples include workstation setups (with all included components), and “thin clients.” Shared computer setups like classroom systems, lab systems, and library systems are also included. Desktop Systems are stationary devices installed on a desk or workstation rather than mobile and highly transportable like a notebook or laptop.
---------------	--	---

<b>72212C</b>	Mobile Client Computers (microcomputers) Controllable	<b>Use this account code for all purchases of mobile computers.</b> Include any mobile computer, usually referred to as a laptop or notebook, which includes laptops with docking stations and other peripheral devices. Also included in this category are handheld computer devices to include wireless.
<b>72214C</b>	Mainframe Computers and Components - Controllable	<b>Use this account code for all purchases of mainframe computers and components.</b> Include all components and peripherals up to a network connection. Mainframe is an industry term for a large computer, typically manufactured by a large company such as IBM for the commercial applications of Fortune 1000 businesses and other large-scale computing purposes. Historically, a mainframe is associated with centralized rather than distributed computing.
<b>72215C</b>	Network Servers Controllable	<b>Use this account code for all purchases of network servers.</b> Include computers designated by the manufacturer as servers, enterprise servers, server blade frames and components, network storage devices and systems, RAID devices, jukeboxes, etc. In general, a server accepts requests from network clients and performs single or multiple functions including file storage and retrieval, print message controls, application execution, email and communications.
<b>722160</b>	Network Components	Include assets used in the local area network not reported in account #72215C and #72216C such as routers, switches, hubs, bridges, etc. This also includes cabling system components when not part of a state-owned building renovation or construction project.
<b>72216C</b>	Network Components - Controllable	<b>Use this account code for purchases of network components if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit (e.g. media cart) which the aggregate cost of all items totals \$5,000 or more.</b> Include assets used in the local area network not reported in account #72215C such as routers, switches, hubs, bridges, etc. This also includes cabling system components when not part of a state-owned building renovation or construction project.
<b>722170</b>	Other Computer Equipment	Include all other equipment that cannot be reported in accounts #72211C through #722160 / #72216C or in account #72217C. Examples include printers, kiosks, print copiers, scanners, add-on peripherals for desktops or laptops, network interface cards, handheld wireless devices, devices for reading bar codes, and devices for providing local and wide area connectivity (e.g., modems, codecs). Note: Code handheld wireless devices to #72212C.

72217C	Other Computer Equipment - Controllable	<b>Use this account code for purchases of other computer equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit (e.g. media cart) which the aggregate cost of all items totals \$5,000 or more.</b> Include all other equipment that cannot be reported in accounts #72211C through #722160 and #72216C. Examples include printers, kiosks, print copiers, scanners, add-on peripherals for desktops or laptops, network interface cards, handheld wireless devices, devices for reading bar codes, and devices for providing local and wide area connectivity (e.g., modems, codecs). Note: Code handheld wireless devices to #72212C.
722180	Computer Software Purchases	Include computer software purchases that cannot be reported in account #72218C. Include expenditures for the purchase of computer application software, utility programs, and operation system software. The term software is a general term that refers to all programs or instructions that are used to operate computer hardware. Software causes computer hardware to perform activities by telling a computer how to execute functions and tasks. Include payments to software vendors for the renewal of software licenses for off-the-shelf applications and utilities. Code contracts for software development to #712790.
72218C	Computer Software Purchases - Controllable	<b>Use this account code for purchases of computer software if the software cost (per item) is \$5,000 or more or if the software item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for the purchase of computer application software, utility programs, and operation system software. The term software is a general term that refers to all programs or instructions that are used to operate computer hardware. Software causes computer hardware to perform activities by telling a computer how to execute functions and tasks. Include payments to software vendors for the renewal of software licenses for off-the-shelf applications and utilities. Code contracts for software development to #712790.
722190	Development Tools Purchases	Include development tools purchases that cannot be reported in account #72219C. Include expenditures for the purchase of software development tools. A development tool is software specifically used in the development of applications by technical staff. Examples of this software are text editors, compilers, build automation tools, debuggers, ETL tools, and data modeling software.
72219C	Development Tools Purchases - Controllable	<b>Use this account code for purchases of development tools if the cost (per item) is \$5,000 or more or if the item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for the purchase of software development tools. A development tool is software specifically used in the development of applications by technical staff. Examples of this software are text editors, compilers, build-automation tools, debuggers, ETL tools, and data modeling software.

**Educational and Cultural Equipment** includes expenditures for college library books, educational, exhibit and reference equipment.

<b>722210</b>	College Library Books	Include expenditures for books, microfiche, periodicals, and similar equipment used in libraries of institutions of higher education.
<b>722220</b>	Educational Equipment	Include education equipment that cannot be reported in account #72222C. Include expenses for auditorium seating, chalkboards, classroom furniture and similar equipment.
<b>72222C</b>	Educational Equipment-Controllable	<b>Use this account code for purchases of educational equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenses for auditorium seating, chalkboards, classroom furniture and similar equipment.
<b>722230</b>	Exhibit Equipment	Include exhibit equipment that cannot be reported in account #72223C. Include expenses for artifacts, artworks, scientific paraphernalia, and similar museum materials and equipment.
<b>72223C</b>	Exhibit Equipment-Controllable	<b>Use this account code for purchases of exhibit equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenses for artifacts, artworks, scientific paraphernalia, and similar museum materials and equipment.
<b>722240</b>	Reference Equipment	Include reference equipment that cannot be reported in account #72224C. Include expenses for books not used in libraries of institutions of higher education, card catalogs, carrels, library desks, microfilm readers and similar reference equipment (e.g. films and records).
<b>72224C</b>	Reference Equipment-Controllable	<b>Use this account code for purchases of reference equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenses for books not used in libraries of institutions of higher education, card catalogs, carrels, library desks, microfilm readers and similar reference equipment (e.g. films and records).
<b>722280</b>	Educational and Cultural Equipment Improvements	Include educational and cultural equipment improvements that cannot be reported in account #72228C. Include expenses for restorations of and additions or modifications to existing educational and cultural equipment which expands capability or capacity, or improves performance.
<b>72228C</b>	Educational and Cultural Equipment Improvements-Controllable	<b>Use this account code for purchases of educational and cultural equipment improvements if the improvement cost (per item) is \$5,000 or more or if the improvement(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenses for restorations of and additions or modifications to existing educational and cultural equipment which expands capability or capacity, or improves performance.

**Electronic and Photographic Equipment** includes expenditures for electronic, photographic and voice and data transmission equipment.

<b>722310</b>	Electronic Equipment	Include electronic equipment that cannot be reported in account #72231C. Include expenditures for intercommunication systems, radar, radios, televisions, and similar electronic equipment.
<b>72231C</b>	Electronic Equipment-Controllable	<b>Use this account code for purchases of electronic equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for intercommunication systems, radar, radios, televisions, and similar electronic equipment.
<b>722320</b>	Photographic Equipment	Include photographic equipment that cannot be reported in account #72232C. Include expenditures for blueprint equipment, cameras, enlargers, lenses, overhead viewers, projectors, screens, splicers, tripods, and similar photographic equipment.
<b>72232C</b>	Photographic Equipment-Controllable	<b>Use this account code for purchases of photographic equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for blueprint equipment, cameras, enlargers, lenses, overhead viewers, projectors, screens, splicers, tripods, and similar photographic equipment.
<b>722330</b>	Voice and Data Transmission Equipment	Include voice and data transmission equipment that cannot be reported in account #72233C. Include expenditures for facsimile transmitters, switchboards, telephones, teletypewriters, and similar equipment.
<b>72233C</b>	Voice and Data Transmission Equipment-Controllable	<b>Use this account code for purchases of voice and data transmission equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for facsimile transmitters, switchboards, telephones, teletypewriters, and similar equipment.
<b>722380</b>	Electronic and Photographic Equipment Improvements	Include electronic and photographic equipment improvements that cannot be reported in account #72238C. Include expenditures for restorations of and additions or modifications to existing communications and photographic equipment which expands capability or capacity, or improves performance.
<b>72238C</b>	Electronic and Photographic Equipment Improvements-Controllable	<b>Use this account code for purchases of electronic and photographic equipment improvements if the improvement cost (per item) is \$5,000 or more or if the improvement(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for restorations of and additions or modifications to existing communications and photographic equipment which expands capability or capacity, or improves performance.

**Medical and Laboratory Equipment** includes expenditures for laboratory, field, medical, and dental equipment.

<b>722410</b>	Laboratory Equipment	Include laboratory equipment that cannot be reported in account #72241C. Include expenditures for blood gas analyzers, Bunsen burners, centrifuges, freezing point depression instruments, gas chromatographs, incubators, microscopes, spectrophotometers, and similar equipment.
<b>72241C</b>	Laboratory Equipment-Controllable	<b>Use this account code for purchases of laboratory equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for blood gas analyzers, Bunsen burners, centrifuges, freezing point depression instruments, gas chromatographs, incubators, microscopes, spectrophotometers, and similar equipment.
<b>722420</b>	Medical and Dental Equipment	Include medical and dental equipment that cannot be reported in account #72242C. Include expenditures for anesthesia and respiratory therapy equipment, dental equipment, diagnostic apparatus, electrotherapeutic equipment, examining room furniture, fracture and orthopedic equipment, hospital and medical lighting, operating room equipment, x-ray equipment, and similar medical and dental equipment.
<b>72242C</b>	Medical and Dental Equipment-Controllable	<b>Use this account code for purchases of medical and dental equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for anesthesia and respiratory therapy equipment, dental equipment, diagnostic apparatus, electrotherapeutic equipment, examining room furniture, fracture and orthopedic equipment, hospital and medical lighting, operating room equipment, x-ray equipment, and similar medical and dental equipment.
<b>722430</b>	Field Equipment	Include field equipment that cannot be reported in account #72243C. Includes expenditures for portable and/or permanent non-disposable equipment, such as automatic samplers and ambient air/water meters or analyzers, designed and purchased primarily for use in non-laboratory settings.
<b>72243C</b>	Field Equipment-Controllable	<b>Use this account code for purchases of field equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Includes expenditures for portable and/or permanent non-disposable equipment, such as automatic samplers and ambient air/water meters or analyzers, designed and purchased primarily for use in non-laboratory settings.
<b>722480</b>	Medical and Laboratory Equipment Improvements	Include medical and laboratory equipment improvements that cannot be reported in account #72248C. Include expenditures for restorations of and additions or modifications to existing medical and laboratory and field equipment which expands capability or capacity, or improves performance.

72248C	Medical and Laboratory Equipment Improvements-Controllable	<b>Use this account code for purchases of medical and laboratory equipment improvements if the improvement cost (per item) is \$5,000 or more or if the improvement(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for restorations of and additions or modifications to existing medical and laboratory and field equipment which expands capability or capacity, or improves performance.
--------	--	--

**Motorized Equipment** includes expenditures for agricultural vehicles, construction equipment, motor vehicles, and power repair and maintenance equipment.

722510	Agricultural Vehicular Equipment	Include agricultural vehicular equipment that cannot be reported in account #72251C. Include expenditures for planting, seeding and harvesting devices; silage cutters; threshing machines; tractors; wagons; and similar agricultural equipment.
72251C	Agricultural Vehicular Equipment-Controllable	<b>Use this account code for purchases of agricultural vehicular equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for planting, seeding and harvesting devices; silage cutters; threshing machines; tractors; wagons; and similar agricultural equipment.
722530	Construction Equipment	Include construction equipment that cannot be reported in account #72253C. Include expenditures for air hammers, backhoes, bulldozers, cranes, graders, portable generators, pumps, and similar equipment.
72253C	Construction Equipment-Controllable	<b>Use this account code for purchases of construction equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for air hammers, backhoes, bulldozers, cranes, graders, portable generators, pumps, and similar equipment.
722540	Motor Vehicle Equipment	Include motor vehicle equipment that cannot be reported in account #72254C. Include expenditures for automobiles, buses, forklifts, mopeds, motorcycles, trucks and similar equipment.
72254C	Motor Vehicle Equipment-Controllable	<b>Use this account code for purchases of motor vehicle equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for automobiles, buses, forklifts, mopeds, motorcycles, trucks and similar equipment.
722550	Power Repair and Maintenance Equipment	Include power repair and maintenance equipment that cannot be reported in account #72255C. Include expenditures for power hedge clippers, power mowers, small power drills, small power sanders, small power saws, routers and similar power repair and maintenance equipment.
72255C	Power Repair and Maintenance Equipment-Controllable	<b>Use this account code for purchases of power repair and maintenance equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for power hedge clippers, power mowers, small power drills, small power sanders, small power saws, routers and similar power repair and maintenance equipment.

<b>722580</b>	Motorized Equipment Improvements	Include motorized equipment improvements that cannot be reported in account #72258C. Include expenditures for restoration of and additions or modifications to existing vehicular equipment which expands the capability or capacity or improves performance.
<b>72258C</b>	Motorized Equipment Improvements-Controllable	<b>Use this account code for all purchases of motorized equipment improvements if the improvement cost (per item) is \$5,000 or more or if the improvement(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for restoration of and additions or modifications to existing vehicular equipment which expands the capability or capacity or improves performance.

**Office Equipment** includes expenditures for office appurtenances, office furniture, office incidentals, and office machines.

<b>722610</b>	Office Appurtenances	Include expenditures for blinds, carpets, draperies, rugs, shades, and similar office appurtenances.
<b>722620</b>	Office Furniture	Include office furniture that cannot be reported in account #72262C. Include expenditures for bookcases, desks, chairs, file cabinets, lamps, racks, storage cabinets, tables, and similar office furniture.
<b>72262C</b>	Office Furniture-Controllable	<b>Use this account code for purchases of office furniture if the furniture cost (per item) is \$5,000 or more or if the furniture item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for bookcases, desks, chairs, file cabinets, lamps, racks, storage cabinets, tables, and similar office furniture.
<b>722630</b>	Office Incidentals	Include expenditures for compasses, date stamps, desk organizers, file boxes, letter openers, rulers, scissors, staplers, T-squares, and similar "desktop" office equipment.
<b>722640</b>	Office Machines	Include office machines that cannot be reported in account #72264C. Include expenditures for adding machines, bookkeeping machines, calculators, drafting machines, duplicating and photocopying machines, posting machines, transcribing and dictating machines, typewriters, weight scales and similar equipment.
<b>72264C</b>	Office Machines-Controllable	<b>Use this account code for purchases of office machines if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for adding machines, bookkeeping machines, calculators, drafting machines, duplicating and photocopying machines, posting machines, transcribing and dictating machines, typewriters, weight scales and similar equipment.
<b>722680</b>	Office Equipment Improvements	Include office equipment improvements that cannot be reported in account #72268C. Include expenditures for restorations of and additions or modifications to existing office equipment which expands capability or capacity, or improves performance.
<b>72268C</b>	Office Equipment Improvements-Controllable	<b>Use this account code for purchases of office equipment improvements if the improvement cost (per item) is \$5,000 or more or if the improvement(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for restorations of and additions or modifications to existing office equipment which expands capability or capacity, or improves performance.

**Specific Use Equipment** includes expenditures for household, law enforcement, non-power repair and maintenance, and recreational equipment.

<b>722710</b>	Household Equipment	Include household equipment that cannot be reported in account #72271C. Include expenditures for beds, bureaus, chairs, dressers, heaters, mattresses, refrigerators, stoves, tables, portable fire extinguishers, and similar equipment.
<b>72271C</b>	Household Equipment-Controllable	<b>Use this account code for purchases of household equipment if the equipment cost (per item) is \$5,000 or more or if the equipment item(s) are components of an assembled unit which the aggregate cost of all items totals \$5,000 or more.</b> Include expenditures for beds, bureaus, chairs, dressers, heaters, mattresses, refrigerators, stoves, tables, portable fire extinguishers, and similar equipment.
<b>722720</b>	Law Enforcement Equipment	Include law enforcement equipment that cannot be reported in account #72272C. Include expenditures for clubs, firearms, helmets, shields, surveillance apparatus, and similar law enforcement equipment.
