Economic Development

CoWorks @THE HUB

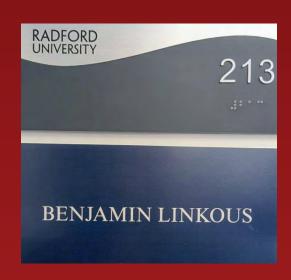

"Having an office at CoWorks has truly given me my home back. It allows me to start each day with purpose, come to a dedicated workspace, and stay far more productive and organized. CoWorks has become an essential part of my small business's success!"

Sarah Pullman, Millennial Fabrics

CoWorks CoTHE HUB

"CoWorks has been exactly what I needed starting a business in the NRV. Low cost, access to professional resources like professional office environment, printing, internet, and meeting space. I cannot think of a better environment for my current need."

Ben Linkous, CoWorks member

"I am so grateful CoWorks@ The HUB exists! As a mobile research team, finding short term space in different locations can be incredibly challenging, but once we learned about CoWorks, setting up in Radford was incredibly easy. More than that, the actual space and help from staff were above anything we could have asked for. We'd definitely use this space again and are super grateful to Nichole and her team!"

Certification Center Expansion

American Sign Language (ASL) & Virginia Quality Assurance Screening (VQAS)

Global leader in providing performance-based certification exams that validate skills in technology, business, and creative applications.

Internship Experiences

Social Media with AI

Community Fest '25

Onward NRV Experience

Internship Experiences

"My internship with the EDCE not only built my workplace skills but provided me experience when skills alone would not suffice. There are some things I could only learn by doing- and this internship gave me the opportunity to do so."

- Jonas Miller, Social Media Content Creator

"One of the highlights of my summer as a student worker was helping Nichole with the launch of CoWorks. Being part of a new initiative like that and gaining hands-on experience has been incredibly rewarding."

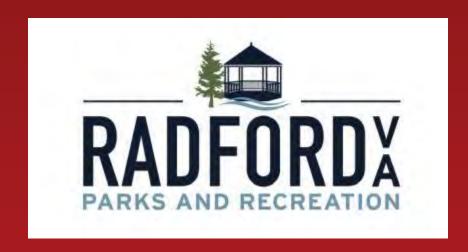

- Mary Paniagua-Ugarte, Assistant Program Coordinator

Partnership Updates

Opportunities for students to engage, providing local perspective on SWVA "Town & Gown" topics; elections; and "Student Beats"

Sponsorships with banner program

Promote cohesive messaging and collaboration

Opportunities for internships, project-based learning, collaborations with outdoor recreation and wellness center, and partnering with academic programs

Radford Community Fest 2025

The annual Radford Community Fest is a free community celebration. The event is hosted by Radford University and the City of Radford.

- Over 100 vendors
- 7 food trucks
- 45 registered volunteers
- RU Fraternity and Sorority Life Kids Zone

Radford Community Fest 2025

2025

"The Radford Community Fest was a shining example of what makes our town so special. Hosted through the collaboration of Radford University and the City of Radford, the event brought together students, residents, and neighbors from surrounding communities for an unforgettable day of fun. The streets were filled with lively music, delicious food, and unique vendors showcasing local talent and businesses. More than just a festival, it was a celebration of connection—where people of all ages came together to enjoy, support, and strengthen the bonds that make Radford such a welcoming place."

Approval of Minutes

Ms. Lisa W. Pompa asked for a motion to approve the minutes of the March 20, 2025 meeting of the External Engagement Committee meeting, as published. Dr. Betty Jo Foster made the motion. Mrs. Jennifer Wishon Gilbert seconded, and the motion carried unanimously.

Economic Development and Corporate Education Report IMPACT Lab

Vice President Angela Joyner shared how IMPACT is committed to delivering its grant obligations to the U.S. Department of Education and the Commonwealth Cyber Initiative during the transition of the credit bearing offerings to Academic Affairs.

- Radford University will participate in the Roanoke Blacksburg Technology's (RBTC) 2025
 Emerging Technology Conference. The team will be highlighting the Professional Accelerated
 Cyber Education (PACE) program.
- As part of the U.S. Department of Education Rural Post Secondary Education (RPED) grant, which was awarded in 2023, IMPACT is conducting research in K-12 cybersecurity education. The research aims to create sustainable pathways from K-12 through higher education and into cybersecurity careers.
- Radford University has established a strategic collaboration with VDOE that successfully enrolled 334 early childhood educators in non-credit education offerings.

Economic Development

Vice President Joyner also shared an overview of events happening in Economic Development.

- CoWorks @THE HUB recently celebrated its grand opening, which generated significant media attention. This event represents a major milestone for entrepreneurial development in Radford, Virginia.
- The Talent Connect Summit was held on April 24, 2025 at Radford University with the primary purpose of connecting students with employers, particularly those receiving IT certifications. Participating institutions included Radford University, Virginia Tech, and New River Community College. The summit successfully provided direct networking opportunities with industry professionals and facilitated connections for internships and employment opportunities.
- Vice President Joyner presented a collaborative storefront revitalization project that supports the broader downtown revitalization initiative. This project is part of a larger economic development strategy for the area.
- Vice President Joyner shared details about the riverfront amphitheater proposal currently underway. The project objectives include creating a versatile outdoor venue for programming, boosting economic impact in the region, providing hands-on learning experience for students, and increasing opportunities for small businesses and entrepreneurs. A joint work between the university, the city of Radford, regional economic development groups and tourism organizations are currently working through the proposal details for the next phase of the project. The next steps include refining venue design, developing proforma assumptions, and finalizing programming inputs to proceed to the next.

Advancement and Alumni Relations Report

Vice President Penny Helms White provided an update on the Athletic Feasibility Study. A comprehensive assessment of Athletics has been completed, including a thorough evaluation of the prospect pool and identification of priority needs. Follow-up interviews are currently underway.

Additionally, an interest survey was distributed this week. The final report, prepared by Huron | GG+A, is anticipated this fall and will serve as a guide for the next steps in the university's fundraising strategy.

Vice President White shared that, as of April 30th, Radford University has secured a total of \$8.9 million in fundraising for FY25. Notably, there is a positive trend in both documented planned gifts and cash contributions, reflecting strong donor confidence and increased engagement.

In support of efforts to engage students prior to graduation, the university introduced a new event this year: Tartan Toast & Tailgate. Held during a baseball game at Sherman Carter Memorial Baseball Stadium, the event featured BBQ, lawn games, and a celebratory toast led by President Danilowicz, welcoming graduating seniors into the alumni community. Additional senior celebrations included the Senior Block Party, part of Traditions Week. The Alumni Relations team conducted 498 exit interviews and distributed 155 legacy stoles in recognition of graduating students and their achievements.

This spring, the University launched The Wayfinder, a new electronic newsletter. Distributed monthly on the third Tuesday, it is designed to strengthen engagement and build deeper connections with alumni, donors, faculty, staff, stakeholders, and friends of Radford University.

A new Gift Planning Website has been launched to support alumni and donors in exploring estate planning options. The site offers clear, accessible information on tools such as bequests, charitable trusts, and beneficiary designations, while also highlighting the tax benefits of planned giving.

To enhance the donor pipeline, the university has begun reimagining its Annual Giving program to align with industry best practices. Carolyn Clayton, Director of Annual Giving, provided an overview of the restructuring efforts aimed at increasing donor participation, retention, and impact.

The target for FY25 is to raise \$1 million and engage 3,000 unduplicated donors, with an emphasis on alumni donor retention.

Annual Giving Metrics (per Huron | GG+A year-end cash transaction reports):

- Only individual donors counted (no entities)
- Constituents included: alumni, employees, parents, students, and friends
- Only cash gifts included (excluding pledges, in-kind, and matching gifts)
- Gift size range: \$1–\$4,999
- Event-related gifts were excluded

Adjournment

With no further business to come before the committee, the meeting adjourned at 3:04 p.m.

Respectfully submitted,

Sharon R. Ratcliffe Executive Assistant to the Vice President for Advancement and Alumni Relations

Sharon B. Webb Executive Assistant to the Vice President for Economic Development and Corporate Education
