A 3.0 cumulative and in major GPA is required for professional fieldwork, upper division courses (ATTR 323 and ESHE 465) and graduation for this major. Program requires an application for upper division and requires a B or better in select classes. Application and admission standards can be found at: <https://www.radford.edu/content/cehd/home/hhp/academics/allied-health-science.html>

Allied Health Sciences

Students must complete a REAL Studies minor in **Analysis (A)**, **Expression (E)** and **Reasoning (R)** or complete a minor designated as **A, E and R**.
Required coursework in program satisfies REAL studies minor in **Reasoning**. Sample 4-year plan includes a REAL Studies minor in **Analysis and Expression**.

Students should consult with their academic advisor to develop a schedule reflective of their unique goals.

*Courses in **Bold** are required courses outside of major
