Students who have been approved for the accelerated program must also apply for admission as a graduate student by submitting a graduate application and supplemental materials to your respective program. Please see <http://www.radford.edu/content/grad/home/admissions/apply.html> for detailed information about admission materials. You must submit the following materials after you are approved to participate in the accelerated program:

- Graduate Application (submitted after completing at least 90 hours of your undergraduate coursework, but no later than six weeks prior to the term in which you wish to enroll)
- \$50 non-refundable application fee (must be submitted with the application for processing)
- Transcripts for any courses taken at a college or university other than Radford University
- Appropriate Test Scores (no later than the 2nd week of the semester in which the bachelor's degree is earned)
- All other supplemental materials required for admission to the Master's program to which student seeks admission
