

# IA / IT Intern

Radford, VA

Mountain State Information Systems, Inc. (MSIS) is involved in numerous contracts at the Naval Surface Warfare Centers in Dahlgren, Virginia and Crane, Indiana as well as the NASA Independent Verification and Validation Facility in Fairmont, West Virginia. MSIS is seeking an intern to perform various IA/IT tasks at our local Radford, VA office that will include IA research as well as day-to-day IT tasking as required. The intern will work closely with MSIS staff, management, and vendors and will be expected to have the initiative and self-determination to learn new skills. This will be a part-time (2-3 days per week, 2-3 hours per day) paid internship beginning in May 2015.

## Specific responsibilities include:

- Perform IA research related to real-time embedded weapon and space systems
- Maintain the MSIS website as changes and upgrades are required
- Provide programming and design expertise as needed
- Perform system backups and configure PCs

## The qualified candidate is:

- Pursuing a bachelor's degree with an emphasis in information assurance
- A self-directed learner
- Dependable and trustworthy

## Skills / Knowledge:

- Understanding of current IA concepts, issues, and industry practices
- Proficiency with MS Office (Excel, Outlook, Word, etc.)
- Programming Languages – PHP, HTML desired
- Backup and recovery expertise desired
- SharePoint & Systems Administration skills desired

## About Mountain State Information Systems:

MSIS specializes in providing software and systems engineering services for large-scale, complex systems. We have been providing high technology support services to the U.S. Navy since 1995, to the U.S. Marine Corps since 2005, and to NASA since 1997. Headquartered in Radford, VA, MSIS has teams of personnel working on-site at the NASA Independent Verification and Validation (IV&V) Facility in Fairmont, West Virginia; and at the Naval Surface Warfare Centers in Dahlgren, Virginia (NSWC Dahlgren) and Crane, Indiana (NSWC Crane).

**Interested Candidates: Please send a resume, cover letter, and a faculty recommendation to [tgross@msisinc.com](mailto:tgross@msisinc.com), or call 540-639-5001.**
