Courses Taught

Radford University

- Presentation Techniques, DSNI 202
- Sophomore Studio II, DSNI 205
- 20th Century Design, DSNI 206
- Materials, Finishes, and Textiles I and II, DSNI 230/235
- Computer Aided Design I, DSNI 320
- Design Theory and Research I and II, DSNI 375
- Sustainable Healthcare, DSN 400
- Senior Studio II, DSNI 405
- Professional Practice and Ethics, DSNI 445
- Design Theory and Research II, DSNI 465
- Research Methods I and II, DSN 575/770 (online)
- Readings in Design Thinking, DSN 615 (online)
- Research Thesis/Project, DSN 790 (online)

Courses Taught (continued)

Art Institute Online

- Basic Drafting, ID 120 (online)
- Basics of Interior Design, ID 121 (online)

Auburn University

- Visual Presentations II/CAD, CAHS 2200
- Residential Interiors I, CAHS 0223
- Non-Residential Interiors I, CAHS 3400 (online)
- Non-Residential Interiors II, CAHS 0424
- Directed Research, CAHS 4300
- Design Thesis, CAHS 4400
- Internship in Interior Design, CAHS 4920
- Advanced Design Projects, CAHS 7930

Virginia Tech

- Two-Dimensional Design, HIDM 1104
- Design Drawing, HIDM 1124
- Second Year Studio, ITDS 2144
- CAD Studio, ITDS 3144
- Fourth Year ID Studio, ITDS 4124
- Independent Study, ITDS 4974

Texas Tech University

- Interiors III, ID 2383
- Advanced Design Processes I and II, ID 3384-3385
- Interior Design Internship, ID 4307
- Collaboration Studio, ID 4406

Awards and Honors

- Nominated for the Donald N. Dedmon Distinguished Teaching Professor Award, Radford University, 2009, 2011, and 2014
- Nominated for the State Council of Education for Virginia (SCHEV) Outstanding Faculty Award, Radford University, 2011
- Nominated for the Distinguished Creative Scholar Award, Radford University, 2010
- Poster, *The Effects of the Physical, Social, Organizational Environments in Creating Homelike Characteristics for Assisted Living Facilities* at the 2010 IDEC Annual Conference was a finalist for the IDEC Award of Excellence – Best Poster. Among the 125 accepted presentations, our poster abstract was one of the top 13 scoring abstracts ranking it in the top 8% of all submissions.
- Honored Faculty Member, Cardinal Key Honor Society, Auburn University, 2000
- Graduate Student Banner Bearer for Spring Graduation, Texas Tech University, 1999

- Teacher of the Year Award, American Society of Interior Designers (ASID), Texas Tech University, 1999
- Graduate School Summer Research Award, Texas Tech University, 1998
- Paul Whitfield Horn Fellowship, Texas Tech University, 1998
- ASID Mabelle Wilhelmina Boldt Memorial Scholarship, 1997
- Outstanding Graduate Teaching Assistant, Texas Tech University, 1996
- American Association of Family and Consumer Sciences (AAFCS) Inez Eleanor Radell Fellowship, 1996
- C. J. Davidson Scholarship, Texas Tech University, 1996
- Cagle-Cauley-Coulter Scholarship, Texas Tech University, 1995
- Interior Design Jean M. Lane Endowed Scholarship, Virginia Tech, 1993
- Phi Kappa Phi National Honor Society, 1993
- Kappa Omicron Nu National Honor Society, 1993
- Phi Upsilon Omicron National Honor Society, 1993
- NCIDQ Certificate No. 007359, April 1989
- Outstanding Achievement Award while employed at Columbia Business Furniture, 1988

Design Competitions Won By Students

- Interior Design Excellence Award (IDEAS) 2018
Project submitted from DSNI 400 Senior Studio. Courtney Rice and Kim Rowland received first place for design of a bariatric surgery unit.
- Interior Design Excellence Award (IDEAS) 2017
Project submitted from DSNI 400 Senior Studio. Haley Yost and Candace McDonald received an honorable mention for the design of a memory care unit.
- Interior Design Educators Council (IDEC) Student Design Competition, 2015
Project submitted from DSNI 400 Senior Studio. Chris Puddy and Lace Lacey placed in the top three in the south region for the design of the patient room of the future.
- Interior Design Excellence Award (IDEAS), 2015
Project submitted from DSNI 400 Senior Studio. SeDell Harman placed first for the design of a plastic surgery facility.
- Interior Design Excellence Award (IDEAS), 2015
Project submitted from DSNI 205 Sophomore Studio II. Lace Lacey received an honorable mention for the design of a homeless shelter.
- Interior Design Excellence Award (IDEAS), 2014
Project submitted from DSNI 400 Senior Studio. Carolyn Weaver received an honorable mention for the design of a cancer treatment center.
- Interior Design Excellence Award (IDEAS), 2013
Projects submitted from DSNI 400 Senior Studio. Jennifer Ferrar and Christine Grimes placed first, Brittany Rorrer received an honorable mention for the design of a cancer treatment center.
- Interior Design Excellence Award (IDEAS), 2012
Project submitted from DSNI 400 Senior Studio. Megan Reeves and Santana Kinlaw placed first for the design of a birthing center.

- Interior Design Excellence Award (IDEAS), 2011
Project submitted from DSNI 400 Senior Studio. Michelle Cleverdon placed first for the design of an assisted living facility.
- International Interior Design Association (IIDA) Student Competition
Sponsored by Haworth and Alabama Business Furnishings, 2002
Projects submitted from CAHS 3400 Non-Residential Interiors. Teale Glasgow placed first (\$500.00), Anne Turner Thornell placed second (\$300.00), and Shelly Hotten placed third (\$200.00). Design of a prototypical dementia care unit.
- IDEC Regional Student Competition, 1999
Projects submitted from ID 3384, Advanced Design Processes I. Lacy Greenstreet and Kryste Boydston placed in the top three to be sent on to the national competition. Design of an underwater amusement park waiting area.
- Steelcase University Summer Program, 1999
Kevan McCormack was chosen as an alternate to attend the four-week summer program offered by Steelcase.
- Steelcase University Summer Program, 1998
Michelle Kelly was chosen as an alternate to attend the four-week summer program offered by Steelcase.
- Steelcase University Summer Program, 1997
Cara Hines was one of 25 students in the United States chosen to attend the four-week summer program offered by Steelcase.
- IDEC Regional Student Competition, 1997
Project submitted from ID 3384, Advanced Design Processes I. Cara Hines placed in the top three to be sent on to the national competition. Design of a visitor's center.
- IDEC Regional Student Competition, 1996
Project submitted from ID 3384, Advanced Design Processes I. Catherine Thomas placed in the top three to be sent on to the national competition. Design of a hotel lobby.

Graduate Student Work

- Chair of Betsy Tuma's Thesis Committee, Department of Design, Radford University, 2019. Thesis Title: The Role of Humor and Guided Play in Innovation
- Chair of Jane Machin's Thesis Committee, Department of Design, 2018. Thesis Title: Making the Makers: Growing a Diverse Campus Living Learning Community
- Chair of Shanna Belyk's Thesis Committee, Department of Design, Radford University, 2018. Thesis Title: Beyond the Breakroom: Supporting Nurse Wellness/Comfort/Self-Care through the Built Environment
- Chair of Seth Christensen's Thesis Committee, Department of Design, Radford University, 2018. Thesis Title: Designing User Experience Design: How to Determine the Role of UX in your Organization
- Chair of Annie Rowell's Thesis Committee, Department of Design, Radford University, 2018. Thesis Title: Examining Math Confidence Between Genders
- Chair of Doug Brady's Thesis Committee, Department of Design, Radford University, 2018. Thesis Title: High School Safety in Active Shooter Situations

- Member of Alnea Miskiv's Thesis Committee, Department of Design, Radford University, 2018. Thesis Title: Sustainable Practice for Fashion Manufacturing Industries
- Chair of Thurmond Alford's Thesis Committee, Department of Design, Radford University, 2018. Thesis Title: Determining the Success Level of Open Office Workplaces within a Federal Law Enforcement Agency
- Chair of Robin Price's Thesis Committee, Department of Design, Radford University, 2018. Thesis Title: Nowhere to Turn? Know Where to Turn! Suicide and Help-Seeking Among College Students
- Chair of Diana Scates Thesis Committee, Department of Design, Radford University, 2018. Thesis Title: Virtual Reality for Cancer Patients: An Immersive Approach for a Sensory Experience to Reduce Stress and Pain Levels
- Chair of Sarah Michalec's Thesis Committee, Department of Design, Radford University, 2017. Thesis Title: The Built Environment in Cancer Treatment Facilities: Anxiety and the Patient Experience
- Chair of Wendy Puffer's Thesis Committee, Department of Design, Radford University, 2016. Thesis Title: Revitalization of the Downtown Square in a Small Rural City: The Impact of the University
- Chair of Sharon Becker's Master's Thesis Committee, Department of Design, Radford University, 2016. Thesis Title: Education as a Means to Influence Stigma Toward Residential Assistive Devices
- Member of Holly Murdock's Master's Thesis Committee, Department of Design, Radford University, 2016: Thesis Title: Art Therapy and Syrian Refugee Children: Using a Design Thinking Framework to Develop Empathy
- Member of Hyung Nam Kim Master's Thesis Committee, Department of Industrial and Systems Engineering, Virginia Tech, 2005. Thesis Title: The Effects of Transitioning Between Different Floor Surfaces on Gait Characteristics of the Elderly
- Member of Katrina Choi Master's Thesis Committee, Interior Design Program, Virginia Tech, 2004. Project Title: The Virtual Grocery Store: A Proposal to Improve the Quality of Life for Retail Customers through a Virtual Environment
- Chair of Rashida Madraswala Master's Thesis Committee, Interior Design Program, Virginia Tech, 2003. Project Title: Assisted Living Facilities: Characteristics of Home-Like.
- Member of Dina Elkady Master's Thesis Committee, Department of Consumer Affairs, Auburn University, 2003. Thesis Title: The Influence of Colored Lights on Preschool Children Play Behavior
- Member of Suenghee Lee Master's Thesis Committee, Department of Consumer Affairs, Auburn University, 2002. Thesis Title: Fashion Cycles in Floorcoverings, 1950-2000
