Please place your order as soon as possible. Skills Packs must be ordered by December 3, 2018 to give the company time to get your Skills Pack ready to ship to the School of Nursing. Skill Packs are sent directly to the School of Nursing and will be given out during the first week of the semester. If you order after December 3rd, there will be a $15.00 late fee charged by Coursey Enterprises. If you order late and your skills pack has not been delivered to the School of Nursing by the first day of classes, you will be dropped from your registered Nursing classes.
