**Notice:** This notice is being provided to remind the campus community of their responsibilities when committing Radford University funds ("university funds"). All funds are considered “university funds” regardless of the revenue source.

Disbursements of university funds are made to businesses and/or individuals that furnish goods and/or services to Radford University. To justify the use of university funds, purchases must be considered essential to the operation of the University and in support of the University’s mission. Since university-funded expenditures are subject to public scrutiny, the appearance of unusual purchases should be considered. Accounting Services will request adequate documentation from the ordering department for unusual purchases as necessary.

**Small Purchase Charge Card (SPCC) Procedures**

1. **Brief Procedure Description**

   The Radford University Small Purchase Charge Card Procedure defines the requirements for the execution of the Small Purchase Charge Card (SPCC) program at Radford University (RU).

   The Small Purchase Charge Card (SPCC) Program is governed by the Commonwealth Accounting Policies and Procedures (CAPP) Manual Topic No. 20355 – Purchasing Charge Card. This manual can be located on the website at [https://www.doa.virginia.gov/reference/CAPP/CAPP_Topics_Cardinal/20355.pdf](https://www.doa.virginia.gov/reference/CAPP/CAPP_Topics_Cardinal/20355.pdf). *Note: As allowed by CAPP Topic 20355, RU’s procedures are more stringent in some areas in order to comply with RU internal policy and procedures.*

2. **Applicability**

Applies to all employees that are issued a SPCC by the University as well as employees that have an official responsibility for the execution of the SPCC at Radford University.

3. **Procedure**

1. **Overview:**

The Small Purchase Charge Card (SPCC) program offers departments an alternate payment method when making small purchases. This method gives departments the opportunity to purchase goods and services costing $5,000 or less.

Use of the charge card allows the University to consolidate multiple vendor payments into one monthly payment to Bank of America VISA; the Commonwealth of Virginia’s designated purchase charge card contractor. Bank of America VISA, in turn, makes payments directly to the vendors. Reports are available to help cardholders and departments maintain control over purchases and payments.

Radford University has a delegated Agency Program Administrator (PA) and back up, these people are registered with Bank of America VISA and the Department of Accounts (DOA) as the person authorized to make changes (e.g., add or cancel cards, change card controls, etc.) for the SPCC program. Please see the information below for the Agency Program Administrator and back up Administrator:

Departments shall maintain a record of their purchases so spending limits can be monitored and purchasing activity can be reconciled to the monthly card statements. Each month the cardholder is required to submit the original Bank of America VISA statement and payment certification form to Accounting Services, campus mailbox 6906, by the 5th of the following month. Bank of America VISA provides a list of monthly statement dates which can be located at https://www.doa.virginia.gov/reference/chargeCardAdmin/index.shtml#Bank_of_America_Information. Departments shall retain all SPCC records for three (3) years plus current fiscal year for auditing purposes. Refer to the Financial
Reporting Records Retention located on the website at https://www.radford.edu/content/risk-management/home/record-retention.html for guidance.

A. Full or part-time employees are eligible to submit a request for a Bank of America VISA SPCC. Contract employees are not eligible for a card. Use of the SPCC is encouraged; however not mandatory. Multiple cards may be issued to the same department on an as needed basis.

B. Currently, use of the SPCC is limited to amounts up to $5,000 per purchase transaction and up to $100,000 monthly limits. The limits are determined by the cardholder and their supervisor based on the departmental requirements. Departments are liable for authorized charges made using the card. Cardholders and their supervisors are responsible for ensuring charges are for official Radford University business purchases only. Cardholders and their supervisors/reviewers or designee are also responsible for ensuring all purchases comply with University and state procurement regulations and do not exceed the cardholder’s delegation of authority transactional limit. *Contact the program administrator if a need arises that exceeds the above limits for alternate options.

C. Cash advances, business travel expenses (some exceptions, see Section 5 ‘Purchases’), and personal items are prohibited on the SPCC. Cardholders may contact the SPCC PA if they have questions concerning appropriate use of the card.

2. Request, Change or Cancel a Card:

A. An applicant’s supervisor may request cards for employees who have authority to purchase items for the department. To request cards, the Department shall complete two forms: the Small Purchase Charge Card Request Form and the Bank of America Purchasing Card Employee Agreement Form. These forms can be located on the Accounting Services website at http://www.radford.edu/content/accounting-services/home/forms.html.

B. Forward the completed forms to the SPCC PA, Campus Box 6906 for processing.
a. **Training:** Cardholders are also required to take the online DOA cardholder training prior to one-on-one training. See Appendix 1 – *Quick Reference Guide To Accessing The Small Purchase Charge Card Training – Commonwealth of Virginia Learning Center.*

b. **Distribution:** Cards are mailed to the SPCC PA. Upon receipt of the card the PA will contact the new cardholder to schedule one-on-one cardholder training. Upon completion of training the PA will issue the card to the cardholder. The cardholder shall provide a photo ID and sign for the card.

c. **Card Activation:** Cardholders should activate their cards within ten days of issuance by the PA. If the card is not activated within the time period the card may be canceled by the PA and the department will be required to complete new forms to request a new card.
   - The card is imbedded with a chip, you will need to select a PIN# when it is activated. The PA does not have access to the PIN# you create.
   - Forgotten PIN#'s can be retrieved at the following link. [https://cardportal.works.com/gar/](https://cardportal.works.com/gar/) (register as a new user & your verification code which is provided at training).

C. Cardholders should contact the SPCC PA to have changes made to existing cards. Changes/cancellations include but are not limited to:

   a. Name change. Legal documentation must be submitted to the PA in order to change the name on your card and account;
   b. Separation from the University;
   c. Change in job responsibilities (use/need of card may change);
   d. Change in supervisor or designee require new forms with correct signatures
   e. Telephone number change;
   f. Address change; or,
   g. Change in email address.

It is important to keep your contact information current; this information is provided to Bank of America VISA so they may contact the cardholder if fraud, abuse or misuse is suspected.

D. Cardholders shall return cards to the SPCC PA immediately upon request of their supervisor/reviewer or designee or the PA. If transferring from one University department to another, please contact the PA for assistance to determine if continued use of the card is required. New forms shall be completed if use continues in new area with new
supervision. The cardholder shall also return the card when terminating employment. When the card is returned all outstanding logs and backup documentation shall be submitted to the cardholder’s supervisor. The cardholder should ensure all outstanding issues on their final statement have been addressed before turning in their card. If there are outstanding issues that cannot be resolved prior to turning in their card, document the files and notify your supervisor/reviewer or designee. The cardholder’s documentation/files are still subject to audits and reviews for a period of three years.

3. **Small Purchase Charge Card Security:**

   A. Authorized use of the card is limited to the person whose name appears on the face of the card. Individual cardholders shall not lend the card or share the card number with anyone other than the vendor with whom they are conducting business.

   - If the cardholder is scheduled to be absent from work for an extended period of time (two weeks or more) they are required to notify the SPCC PA. If the cardholder is absent from work and is not able to coordinate time off in advance, the cardholder’s immediate supervisor/reviewer or designee shall contact the SPCC PA.

   - Some on-line vendors store credit card information (ex. Amazon), be sure to review and delete as needed. Read terms and conditions they may provide information concerning automatic renewals (contact the vendor to ensure that subscriptions are not renewed without authorization).

   - A vendor may be allowed to keep the card number on file under the following, limited, conditions: 1) the cardholder must make initial contact with the vendor to provide the card number 2) the vendor must keep the card number in a secure, preferably electronic, file 3) the vendor must assign a separate, store account number for use by representatives of the cardholder so that the card number is not shared 4) the vendor must contact the cardholder for final authorization to process the charge.

   - Cardholders may use third party processors (PayPal, Square, etc.) that process payments only. Cardholders are prohibited from opening an account with a third party processor because they require your card information to be stored. Third party processors allow vendors to accept card payments without having a merchant account and minimizes costs for the vendor.
B. When not in the cardholder’s physical possession, the card should be kept in an accessible but secure location within the office, such as a locked file cabinet or desk. The cardholder should not post the card account number or leave the card in a conspicuous place. The cardholder should possess the card only when conducting official University business.

C. Never make a photocopy of a card.

D. Faxing, mailing or emailing (even in an attachment) the SPCC complete account number is prohibited. Order forms may be faxed to a vendor and omitting the full account number. The SPCC number should then be provided to the vendor by phone.

E. The individual department maintaining the card is ultimately responsible for lost or stolen cards. If the card is lost or stolen, immediately notify Bank of America VISA at 1-888-449-2273 so that the compromised account will be closed and a new card issued. You should also notify the SPCC PA to have file documentation.

F. Radford University is liable for purchases made by authorized users of the SPCC if the purchase is within the single per transaction dollar limit and does not exceed $5,000. Radford University does not accept liability for the following:

   a. Unauthorized use of the card.
   b. Account numbers that are fraudulently used.
   c. Purchases made with stolen or lost cards which exceed the maximum limit ($50) and the maximum length of liability (24 hours after discovery and reporting of card loss or theft).

G. When making purchases using an internet source, it is the responsibility of the cardholder to ensure that the vendor meets security requirements prior to placing an order. The vendor must have a Secure Socket Layer (SSL) version 2.0 or higher. To ensure that a vendor has a SSL, the Address bar must start with https://. This may not be visible until payment information is requested. For more information about the vendor’s security certification, check under Help on the browser’s tool bar. For additional information, see Appendix 2 – Security Requirements contained in the Commonwealth’s E-commerce policy. (An eVA purchase order is required prior to placing internet purchases.)
4. **Card Issued Restrictions**: Vendors register with Bank of America by merchant category codes (MCC’s) these codes provide information about the vendor specifying the type of goods or services they provide. Based on these codes certain MCC’s have been identified and restricted on the SPCC. The SPCC is issued with the following restrictions:

<table>
<thead>
<tr>
<th>Restriction Category</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fraud</td>
<td>Cash access, bars and nightclubs, pawn shops, dating and escort services, massage parlors, betting establishments, food stamps, fines, bail and bond payments *Note: attempted use will be reported to program administrator</td>

<td>Caterers, Bakeries, Eating Places-Fast Food, Restaurants</td>
</tr>
</tbody>
</table>

See Appendix 3 - COV PCard Restriction Table for complete list of MCC’s restricted by category.

It is at the discretion of the PA in referenced Radford University’s policies and procedures to determine if the restriction is authorized. Cardholder’s supervisor/reviewer or designee must request written permission to obtain a permanent or temporary lift of these restrictions. The request can be in the form of an email to the PA. The request must contain, at a minimum, the following information: Which industry restriction is to be lifted, the estimated date(s) of the purchase, dollar amount(s) and reason for the purchase.

**Note**: If permanent restriction(s) have been pre-approved/authorized please check the appropriate restriction box listed on the payment certification form. Copies of all supporting documentation must be submitted monthly for review. The supervisor signature will indicate that the restriction lift is still requested. Letters of authorization are required for initial lifts and every three years at time of card renewal.

A cardholder which has any restriction lifted is required to submit copies of all documentation for charges related to the restriction lifted each month for
review (itemized invoice, Chrome River preapproval/request for travel, purchase order, etc.).

A. **Purchases:** Radford University Policy ID Number FA-PO-1201, *Procurement and Contracts Policy* and associated *Radford University Procurement and Contracts Procedures Manual* provide the University’s policy and procedures regarding the purchase of goods and services. This policy and these procedures delegate purchasing authority for many small purchases to certain employees at the department level. Individuals with delegated authority may use Radford’s SPCC as one method to obtain goods and services. Individuals will be held accountable through audits ensuring the referenced policy and procedures in this section are followed. The full text of Policy FA-PO-1201 and the procedures manual is located on the Procurement and Contracts website at [http://www.radford.edu/content/procurement/home.html](http://www.radford.edu/content/procurement/home.html).

B. Registration fees for events (i.e., conferences, workshops, seminars, etc.) may be purchased with the SPCC. Registration fees may not be paid more than 90 days in advance of the event date. If you need to pay outside of the 90 day allowable period please provide the SPCC PA a detailed memo with the justification for consideration of approval. Approval to purchase more than 90 days in advance must be granted by the PA before the purchase can be initiated. An approved eVA purchase order is required for registration fees, unless the registration fee is approved in Chrome River. A copy of the itemized receipt and Chrome River preapproval/request for travel must be maintained and submitted as supporting document with the payment certification form to Accounting Services.

C. Airline, rail tickets, limos/taxi cabs, bus lines, and cruise tickets as deemed appropriate may be purchased with the SPCC with approval by the PA. These purchases are normally a restriction (Travel) on the SPCC. See Section 4 ‘Card Issued Restrictions’ for requirements of a card restriction lift. Lifting of the restriction must be requested in writing by the cardholder supervisor and approved by the PA before the purchase can be initiated. Only the specific purchase approved by the PA may be used against the lift. Airline, rail tickets, limos/taxi cabs, bus lines, and cruise tickets may not be paid more than 90 days in advance of the travel date. If you need to pay outside of the 90 day allowable period please provide the SPCC PA a detailed memo with the justification for consideration of approval. Approval to purchase more than 90 days in advance must be granted by the PA before the purchase can be initiated. All travel related charges must be purchased in compliance with the
University Travel Policy and Procedures which can be located on the Accounting Services website at [http://www.radford.edu/content/accounting-services/home/travel.html](http://www.radford.edu/content/accounting-services/home/travel.html).

The air travel card (ATC) can still be used through Christian Travel and requires a Banner Self Service purchase order to be completed. In booking trips through websites that allow you to purchase combined services (i.e., hotel and airfare) you are only authorized to pay airfare with the SPCC restriction lift. A copy of the itemized receipt and Chrome River preapproval/request for travel must be maintained and submitted as supporting documentation with the payment certification form to Accounting Services.

D. Lodging may be purchased for candidate, group and student related travel (coaches and chaperones are allowed if all arrangements are made at the same time) with the SPCC with the approval by the PA. Lodging is normally a restriction (Accommodations) on the SPCC. See Section 4 ‘Card Issued Restrictions’ for requirements of a card restriction lift. Lifting of the restriction must be requested in writing by the cardholder supervisor and approved by the PA before the purchase can be initiated. Only the specific purchase approved by the PA may be used against the lift. If a deposit is required only a one night deposit for lodging is allowed. Lodging may not be paid more than 90 days in advance of the travel date. If you need to pay outside of the 90 day allowable period please provide the SPCC PA a detailed memo with the justification for consideration of approval. Approval to purchase more than 90 days in advance must be granted by the PA before the purchase can be initiated. Lodging must be purchased in compliance with the University Travel Policy and Procedures which can be located on the Accounting Services website at [http://www.radford.edu/content/accounting-services/home/travel.html](http://www.radford.edu/content/accounting-services/home/travel.html). Do not book lodging through websites that allow you to purchase combined services (i.e., lodging and airfare) these sites will charge your card at time of purchase which is a violation of the one night deposit allowance. A copy of the itemized receipt and Chrome River preapproval/request for travel must be maintained and submitted as supporting documentation with the payment certification form to Accounting Services. Lodging agreements must be approved by Procurement.

E. Food and Beverage may be purchased with the SPCC in compliance with the Food and Beverage Policy. All documentation required in the Food and Beverage policy must be maintained and submitted with the SPCC certification form to Accounting Services. Purchases made at restaurants
are normally restricted on the SPCC. See Section 4 ‘Card Issued Restrictions’ for requirements of a card restriction lift (Restaurant). Lifting of the restriction must be requested in writing by the cardholder supervisor and approved by the PA before the purchase can be initiated. Only the specific purchase approved by the PA may be used against the lift. If business meals are being purchased during travel status they must be in compliance of the University Travel Policy and Procedures and would require pre-approval. A copy of the itemized receipt and Chrome River pre-approval/request for travel must be maintained and submitted as supporting documentation with the SPCC certification form to Accounting Services. The Food and Beverage policy can be located on the Financial Services website at [http://www.radford.edu/content/financial-services/home/policies-procedures.html](http://www.radford.edu/content/financial-services/home/policies-procedures.html). The University Travel Policy and Procedures can be located on the Accounting Services website at [http://www.radford.edu/content/accounting-services/home/travel.html](http://www.radford.edu/content/accounting-services/home/travel.html). An approved eVA purchase order is required for Food and Beverage charges unless they are Point of Sale (POS).

F. Check out fees (surcharge fees) can be charged but the vendor must follow all of the steps below:

- Must disclose the check-out fee at the point of sale or online check out
- Must disclose the fee as a separate line item on the invoice or receipt
- Must disclose the amount of the surcharge which can’t exceed more than 4%
- Must disclose the amount of the surcharge using signs at register or posted in location on Point of Sale (POS) only

U.S. Vendors that intend to surcharge must complete a notification form with Visa 30 days in advance of charging the fee.

5. **Restricted Small Purchase Charge Card Purchases**: In order to comply with State and University guidelines, certain purchases may carry additional restrictions or may require additional authorization. For any purchase requiring special approval, documentation of approvals shall be maintained with the SPCC records.

*The following types of purchases are subject to additional regulations:*
A. **Furniture**: All furniture, including chairs, computer tables, desks, filing cabinets, etc. must be procured from Virginia Correctional Enterprises (VCE). Cardholders are not authorized to purchase furniture from any other source without a written release from VCE. The Procurement and Contracts Department must be contacted to coordinate the release request. Please review the Furniture Purchase Procedure located on Procurement and Contracts website at [http://www.radford.edu/content/procurement/home/department-information/vce.html](http://www.radford.edu/content/procurement/home/department-information/vce.html).

B. **Food and Beverage**: Radford University’s Food and Beverage Policy must be followed. The policy can be located on the Financial Services website at [http://www.radford.edu/content/financial-services/home/policies-procedures.html](http://www.radford.edu/content/financial-services/home/policies-procedures.html).

C. **Apparel Policy**: Radford University’s Apparel Policy must be followed. The policy can be located on the Financial Services website at [http://www.radford.edu/content/financial-services/home/policies-procedures.html](http://www.radford.edu/content/financial-services/home/policies-procedures.html). (eVA Purchase Order required)

D. **Promotional Items**: Radford University’s Promotional Items policy must be followed. The policy can be located on the Financial Services website at [http://www.radford.edu/content/financial-services/home/policies-procedures.html](http://www.radford.edu/content/financial-services/home/policies-procedures.html). (eVA Purchase Order required)

E. **Spending Guidelines FAQ**: Radford University’s Appropriate Sources for University Spending must be followed. The guideline can be located on the Financial Services website at [http://www.radford.edu/content/financial-services/home/policies-procedures.html](http://www.radford.edu/content/financial-services/home/policies-procedures.html).

F. **General SPCC Restrictions**: The SPCC may not be used for the following goods and/or services:

- Campus Design and Construction, carpet and air conditioners (except for Facilities Management). This includes any type of renovations, security/fire systems, painting, electrical, building lock/keys, etc.
- Computers (unless an exception is approved by the PA and authorized as an allowable purchase by Information Technology (IT) before the purchase is initiated).
- Equipment trust fund items.
- Any equipment that is capitalized (account code ends with a C).
- Gifts
• Gift card/gift certificate purchases (must be compliant with the Employee Recognition Program, Employee Payment Policy, approved through Human Resources and an exception approved by the PA before the purchase is initiated).
• Licensed vehicles. All new and used licensed vehicles must be purchased through the Procurement and Contracts Office.
• Narcotics or dangerous drugs (prescription drugs).
• Purchases from state employees or immediate family.
• Radioactive materials.
• EZ-Pass Purchases (tolls). Contact the PA if this service is required.

G. General SPCC Restrictions Allowed with a valid eVA Purchase Order:
The SPCC may be used for the following goods and/or services with a fully approved eVA Purchase Order.

- Printing.
- Services.

A. The eVA approval flow must include Information Technology (IT) for the items listed below.

- Audio-Visual equipment (multimedia projectors, overhead projectors, slide projectors, projection screens, TV mounts, carts, lecterns with sound systems, microphones and headsets).
- Ipad, ipod, and applications.
- Printers and printer accessories.
- Software and software/hardware maintenance.
- Telecommunications/radio goods which require the use of a frequency and all telecommunications services for the transmission of voice data and/or video communications beyond the boundaries of Radford University.

H. Prohibited Behaviors:

A. Have a business interest that conflicts with a public procurement. Specifically, these laws forbid any agency from:
a. Contracting with an employee of the agency or a member of their immediate family (spouse, children, parents, brothers, sisters or any other person living in the same household).
b. Contracting with a company in which the employee or member of immediate family has more than 10% ownership.
c. Contracting with an employee of another Government Agency or State Government unless the contract is awarded through Competitive Sealed Bidding.

B. Solicit or accept gifts (or anything of value) from bidders, offerors, contractors or subcontractors.
a. If you are involved in a procurement transaction, which includes defining requirements, you should not accept anything of more than nominal value (not defined).
b. Aside from gifts related to procurement transactions, you should never accept anything of value that would tend to influence you in the performance of your duties. That is, never use your position for personal gain.

C. Misrepresent a material fact.

If you have an “Official Responsibility” for a procurement transaction, you shall not falsify, conceal, or misrepresent a material fact in regards to that transaction. (“Official Responsibility” represents all functions that pertain to the procurement from describing the requirements, selection of the source and contract administration).

Examples:  

Declare a Sole Source when you know that it is not.  

Describe requirements in such a manner as to deliberately unduly restrict competition.  

Signing for receipt of Goods/Services not yet received or completed. 

Violation and Conviction Constitutes A Class 1 Misdemeanor. 
The Public must have confidence that Public Funds are spent prudently on its behalf and not for the benefit of Government Employees. The perception of fraud or conflict can be just as disruptive to that public trust as the real thing.
6. Procedures:

A. Ordering Using the SPCC:

a. An eVA purchase order must be completed prior to making a commitment on behalf of the University. Some exceptions are located in Section 4 ‘Purchases’ and local point of sale charges (POS). POS charges are defined as walking into the vendor’s place of business and swiping the card to make a purchase for an item readily available off the shelf (cannot be delivered). Some Radford University policies state a completed purchase order is required even if they are POS. Orders submitted in eVA obtain the necessary internal approval requirements for expenditures. Exceptions and local POS charges are not tracked in eVA. It is the responsibility of the cardholder to obtain necessary approval to commit departmental funds.

1. All orders keyed into eVA using the SPCC as a form of payment must follow these guidelines:

   a. Users may create an alias in eVA. For instructions see Appendix 4. You may contact RU’s eVA Account Executive at x-5429 to request assistance setting up the card in eVA.
   b. Always check the “Bypass ERP Integration” box in eVA to bypass integration. Please note SPCC orders do not integrate into Banner; therefore do not encumber.

   **Note:** the bypass feature stops the integration of the order from eVA into Banner so it will not be encumbered, but if a vendor is self-registered, set up to receive their orders electronically and accepts the PCard as a form of payment they will still receive the order through eVA. If you contact the vendor separately concerning the order take extra care to ensure the order is not duplicated.
   c. Enter “SPCC”, “BA” (Bank of America), or “CC” (credit card) in the title of the requisition to help identify that this is a SPCC/PCard order.
   d. eVA receiving is required. The signatures (cardholder and supervisor/reviewer or designee) on the payment certification also serve as a
receiving document and certify validity of the charge(s).

b. Radford University is exempt from Virginia sales tax on goods, services, and meals and catering. See Appendix 5 - Sales and Use Tax Exemption Certificate or obtain a blank form located on the Office of Policy and Tax Compliance website at http://www.radford.edu/content/policies/home/tax-compliance.html. (Special tax exempt forms for specific vendors: See Appendix 6 - Wal-Mart Tax Exempt Identification Card, Appendix 7 - Lowes Sales and Use Tax Certificate of Exemption & Appendix 8 - Amazon Sales Tax Information Process.) This includes on line purchases. See the vendor’s website under frequently asked questions (FAQ) for instructions concerning refunds for sales tax.

c. “Splitting Orders” is defined as awarding any one vendor multiple orders within a short time period so that the total goods or services purchased exceed the $5,000 threshold.

1. Although multiple transactions may be conducted in a single day, the dollar threshold from each vendor must remain under the $5,000 limitation. The single purchase limit must not be circumvented by “splitting orders.”

2. Each cardholder is set specific card limits (single transaction and monthly) based on the information provided on their request form. The limits set must be followed. Please contact the PA if adjustments are needed.

B. Small Women and Minority owned business (SWaM): Cardholders are required to obtain a quote or document an attempt to obtain at least one telephone or written price from one Department of Small Business and Supplier Diversity (DSBSD) certified SWaM firm. A listing of DSBSBD certified firms is available on their website at https://www.sbsd.virginia.gov/.

C. Monthly Reconciliation and Reporting to Accounts Payable: An individual using the SPCC is responsible for reconciling his/her records with those of Bank of America VISA. After reconciliation, monthly approval forms must be submitted to Accounts Payable. The following procedures describe the requirements for all purchases using the SPCC.
a. **Payment Certification Form**: All purchases made using the SPCC must be immediately recorded on the payment certification form. The form and instructions can be located on the Accounting Services website at [http://www.radford.edu/content/accounting-services/home/forms.html](http://www.radford.edu/content/accounting-services/home/forms.html). The log must be retained with the monthly SPCC records.

1. **Distribution of Charges**: Once the Payment and Certification form and the SPCC statement have been reconciled, you must include the FOAP (fund, organization, account and program) code information on the form so that Accounts Payable will know how to apply these charges to your budget. The total amount of charges on the statement should be distributed by the specific account code. Appropriately monitor your budget to ensure fund availability. Please refer to the Expenditure Account Codes located on the Accounting Services website at [http://www.radford.edu/content/dam/departments/administrative/accounting-services/Expenditure-Account-Code-Listing-062014.pdf](http://www.radford.edu/content/dam/departments/administrative/accounting-services/Expenditure-Account-Code-Listing-062014.pdf) for a detailed list of account codes. Complete the payment certification form and sign. Submit the form, all receipts and supporting documentation and the original statement to your supervisor/reviewer or designee for review and signature.

2. **Distribution of Documents**: In order to comply with the Commonwealth of VPPA, the payment certification form, signed by the cardholder and the supervisor/reviewer or designee as well as the original statement must be sent to Accounting Services (campus mail box 6906) by the 5th of the month following receipt of the cardholder statement. The signatures indicate review and approval of purchases made by the cardholder during the billing cycle. If a cardholder is unable to obtain their supervisor/reviewer or designee signature by the 5th of the month, please forward a pending payment certification form and original statement with a note that the completed form will be submitted once the supervisor/reviewer or designee signature is obtained. The 5th of the month deadline must be adhered to in order to meet payment deadline. If food or a purchase requiring a restriction lift has been pre-approved/authorized then all supporting documentation must be submitted with the monthly forms due in AP.
3. **Documents to Retain:** The cardholder must retain: copies of the statement, signed payment certification form, shipping, delivery and invoice documents. (Your documentation must validate your purchases. If a receipt is lost a detailed memo which includes a list of what was purchased and an explanation signed by the cardholder’s supervisor must be included in the file).

4. **Supporting documentation and log:** The cardholder must maintain a monthly log which documents charges as they occur. This log can be the same as the payment certification form and must be retained in the file (payment certification form, statement, original invoices, packing slips, receiving reports, Chrome River preapproval/request for travel etc.). Keep the documentation in a file readily available upon request.

5. **No Activity.** If the cardholder does not have activity during a reporting cycle the payment certification form must still be signed by both the cardholder and their supervisor/reviewer or designee and a note “no activity” made on the form.

b. **Monthly Statement:** Each cardholder will be mailed a statement directly to the RU mail box indicated in the address provided on the card request form unless there has been no activity on the account for that period. It is the responsibility of the cardholder to contact the PA if a statement has not been received from Bank of America VISA by the 20th of the month. The cardholder may also access Bank of America Works located at the website at https://payment2.works.com/works/ to view, print and download statements.

1. Cardholders should log into the Bank of America's Works system on a weekly basis to monitor their card activity. Works provides card activity in real time. All cardholders are granted access to Works when a SPCC is issued. The cardholder will receive a “Welcome” email providing instructions on how to log into Bank of America’s banking system. Additional training and help in Works can be found by clicking on Training guides and Training Videos located at the bottom of each page in Works. Please contact the PA if additional assistance is required.
D. Credits, Returns and Disputes:

Accounts Payable must pay the total amount of the SPCC invoice. Any disputes or credits must be coordinated directly with the SPCC provider and corrections or credits made on subsequent statements. By logging into Works weekly, the cardholder can avoid payments of fraudulent and incorrect charges by allowing them to address issues and obtain credits before the final invoice is received.

Cardholders are responsible for follow up and resolution of any discrepancies or disputes. In most cases these can be resolved directly between the cardholder and the SPCC provider.

When returning an item for credit the cardholder should send the item back to the vendor in the manner agreed upon. The vendor should issue a credit to the SPCC for items returned. Make sure you have the original receipt/invoice so credit can be properly applied. “Store credits” are not allowed. If the vendor refuses to credit the SPCC please contact the SPCC PA.

The vendor should issue documentation of the return and this documentation should be maintained with the SPCC payment certification form.

Check statement for fraudulent charges and report them immediately to the SPCC PA.

7. Card Renewals: SPCC’s are renewed automatically. No action is required on the part of the cardholder. Cardholders will be notified by the PA informing them of the date, time and place the card is available for pick up. The cardholder must provide a photo ID and sign for the card. Current cards are valid through the last day of the month in which it expires. The expired card shall be returned to the PA for documented destruction.

A. Refresher Training will be provided to all cardholders prior to the distribution of renewal cards.

8. Card Infractions: In the event the cardholder makes an inappropriate expenditure on the SPCC the following penalties will be enforced:

Security Requirements - In order to procure goods or services through the Internet, the vendor must have a Secure Socket Layer (SSL) Version 2.0 or greater. It is the agency’s responsibility to ensure the vendor meets the SSL 2.0 requirement before placing an order and using the SPCC as a method of payment. To ensure the vendor has a SSL, the Address Window must start with https://. This may not occur until the payment information is requested. For information about the vendor’s security certification, check under Help on your browser’s tool bar. Buying through the Internet might subject an agency or institution to the vendor’s terms and conditions if no MOU exists. Agencies are encouraged to establish a MOU with vendors whom they conduct business with on a regular basis. See DGS/DPS website for sample MOUs. (at a future date)

APPENDIX 8

Amazon Sales Tax Refund Process

When an order is placed with Amazon the cart should detail if sales tax will be charged. The sales tax cannot be removed from the order until the charge actually occurs. A notification will be sent from Amazon when the order ships.

Please follow the instructions below to obtain a refund for sales tax:

Request a Tax Refund

The following information is provided on how to request a tax refund.

1. Allow for your shipment to complete before submitting a request. Tax refunds cannot be issued until your shipment is delivered successfully.
2. Contact Customer Service by emailing tax-exempt@amazon.com with a detailed request. Include any supporting tax exemption documentation for the state or US territory to which your shipment was delivered.

Important: Please include the following:
* Your order number (17 digits in this format: XXX-XXXXXXXX-XXXXX).
* Reason for request
* E-mail address
* Supporting documentation of your exempt status (if applicable)

Note: Our agreement with non-FBA sellers does not permit Amazon to process tax only refunds on their behalf. However, you can contact the seller directly for a tax refund. To learn more, visit Tax on Items Sold by Sellers on Amazon.

You can obtain a Sales and Use Tax Certificate of Exemption from the following link: http://www.radford.edu/content/policies/home/tax-compliance.html.

Small Purchase Charge Card Reviewer: _________________________________ Date ___________

*Note: Attached all required documentation.*
This checklist may be used by Supervisors or Reviewers as an aid to verify that the monthly reconciliation package is complete. Carefully review and confirm the following:

- Reconciliation is received timely by supervisor to ensure an adequate review time is allotted and submission to meet Accounts Payable deadline.
- Cardholder has signed and dated the payment certification form.
- Bank of America (BOA) monthly bill statement is attached to payment certification form.
- Individual transaction amounts on the BOA statement agree to those entered on the payment certification form.
- Vendor Name listed on the payment certification form aligns with the Vendor listed on the BOA statement and the vendor invoice.
- Meaningful and clear descriptions are used to describe the business purpose of the purchase.
- Transaction detail has been reviewed to ensure the purchase is a valid business expense.
- No sales tax was charged on any transaction except for lodging or food.
- Appropriate FOAP (Fund, Organization Code, Account, and Program) has been included for each transaction and budget is available.
- Any outstanding issues from a prior month have been tracked to ensure issues are resolved in a timely manner.
- Grand total of amount due on the BOA statement agrees to the total on the payment certification form.
- All issues that could not be immediately resolved have been noted with documentation attached to the reconciliation.
- Supervisor/Reviewer complete signature and date are included on payment certification form.

REMEMBER:
- If there are issues with any of the above steps, contact the cardholder to have them resolved.
- Document any outstanding issues for your files and also attach documentation to the reconciliation.
- Follow-up on outstanding issues that are not resolved by the next reconciliation.
