REPORT FROM THE PROVOST

Dr. Sam Minner, Provost and Vice President for Academic Affairs, noted that his detailed report can be located in the BoardBooks. He informed the Committee of the faculty promotions and faculty who were awarded Emeriti status, copies of same are attached hereto as Attachment A and Attachment B and are made a part hereof.

Dr. Minner stated that Mr. James Pennix, Dean of Admissions, will provide the report on enrollment. Mr. Pennix noted that new freshman deposits received are at 2027, approximately 4-8% lower than last year. He continued that new transfer deposits received are at 419, approximately 20-32% higher than last fall. Mr. Pennix reported that these are approximately 4-8% lower than last year. Mr. Pennix reviewed with the Committee the enrollment plans and opportunities for the University going forward which included a continued focus on out-of-state
recruitment, an increase in transfer recruitment activities throughout the state, implementation and enhancement of our diversity recruitment to address the projected increase in Hispanic/Latino high school students. He noted that the challenges continue to be increased competition among the institutions of higher education, especially among the other public universities/colleges in Virginia as they increase their enrollment activities as well.

The Committee then discussed recent announcements by several institutions of higher education in Virginia to increase enrollment and the measures in terms of both recruitment and retention strategies that Radford University can do to offset the effect of those efforts by other schools.

Dr. Minner also provided the Committee with a power point presentation that included a synopsis of the RU Futures Report, Radford University Retention Rates past and present, and the process for Faculty Tenure and Promotions followed by the University. A copy of the RU Futures report and Dr. Minner’s power point presentation are attached hereto as Attachment C and Attachment D and are made a part hereof.

Mr. Marcus thanked Dr. Minner and Mr. Pennix for their reports.

ACTION ITEMS

Faculty Tenure Recommendation:
Dr. Minner noted that the list of the individuals for whom the University is requesting tenure have met the requirements for tenure. The Committee then discussed the faculty tenure recommendations and Mr. Marcus asked for a motion to approve the faculty tenure recommendations to go forward to the Board of Visitors for approval. Ms. Campbell so moved and Ms. Rogers seconded and after discussion the motion was unanimously carried. A copy of the Resolution of Tenure Recommendations is attached hereto as Attachment E and is made a part hereof.

Graduate College Name Change:
Dr. Minner stated that there was also an action item to change the name of the College of Graduate and Professional Studies to the College of Graduate Studies and Research. It was explained that the Office of Sponsored Programs and Grants, and the Office of Research Compliance were administratively placed under the Graduate College in 2008, after the creation of the Graduate College. Dr. Minner noted that it is common practice for universities who place sponsored programs within the Graduate College to reflect that in the name of the college. Mr. Marcus asked for a motion to approve the recommendation to change the name of the Graduate College from its current formal name, College of Graduate and Professional Studies, to the College of Graduate Studies and Research. Mr. Matthew B. Crisp so moved and Dr. Javaid Siddiqi seconded and after discussion the motion was unanimously carried. A copy of the Resolution is attached hereto as Attachment F and made a part hereof.

Veterans Priority Registration Proposal:
Dr. Minner stated that the Board of Visitors approved the Veteran Priority Registration Policy in September 2014, to recognize the scheduling difficulties and obligations encountered by active
duty members of the United States Armed Forces. He continued that the policy needs to be amended to comply with the Code of Virginia Section 23-9.2:3.7C, and guidelines developed by the State Council of Higher Education for Virginia (SCHEV), to ensure that the definition of Veterans as used in the policy includes veterans as defined in Virginia Code Section 23-7.4. In addition, Dr. Minner stated as SCHEV continues to develop guidelines regarding course registration for military-related students that the Board delegate to the President of Radford University the authority to amend the policy in the future as may be required by SCHEV. Mr. Marcus asked for a motion to approve the recommendation to the full Board the “Resolution for Approval of Revisions to the Veteran Priority Registration Policy and Delegation of Authority to the President”. Ms. Campbell so moved and Ms. Rogers seconded and after discussion the motion was unanimously carried A copy of the Resolution is attached hereto as Attachment G and made a part hereof.
