REPORTS AND RECOMMENDATIONS

Report from the Auditor of Public Accounts

Ms. Karen Helderman, Information Systems Development Specialty Team Director and Radford Audit Project Manager with the Auditor of Public Accounts for the Commonwealth of Virginia, presented information regarding the audit of the University’s fiscal year 2011 - 2012 financial statements which had been completed, noting that the written report should be issued shortly. She noted that for fiscal year 2011 - 2012, the financial statements were presented fairly, in all material respects; there were no internal control findings requiring management’s attention; and there were no instances of noncompliance or other matters required to be reported under Government Auditing Standards. Ms. Helderman noted that one of the areas that the audit focused on was the University’s controls over its information technology area and the audit also resulted in no internal control findings for that area.

Ms. Helderman reported that the Auditor of Public Accounts also completed procedures on Intercollegiate Athletics’ revenues and expenses to evaluate the University’s compliance with National Collegiate Athletic Association (NCAA) requirements. She noted that the report was completed in December 2012 and that no issues requiring management’s attention were identified.
University Auditor’s Report

Ms. Margaret McManus, University Auditor, presented an oral report on the University’s Discretionary Fund for the quarter ended March 31, 2013. She reported that 100% of expenditures were reviewed and all were found in compliance with the Board of Visitors’ guidelines. Ms. McManus also informed the Committee about the Office of the State Inspector General (OSIG), which was created by the General Assembly in 2012, and its relationship to the internal audit function. She described the three primary tasks with which OSIG has been charged: operating the State Fraud, Waste, and Abuse Hotline, conducting performance reviews of state agencies which includes institutions of higher education, and recommending standards for internal audit programs across the state. She further noted that the recent OSIG Directive requires internal audit directors to forward copies of all audit reports to OSIG.

Ms. McManus briefly discussed six internal audit reports that had been distributed recently and then presented a follow-up audit status report, which is attached hereto as Attachment B and is made a part hereof. Finally, Ms. McManus presented the Committee with the report on the external quality assurance review of her department that is conducted every 5 years. She reported that Radford University’s Internal Audit Department received the highest rating for conformance with internal audit standards. She also noted that there were four recommendations outlined in the report, two for the Board and the President and two for her department, specifically noting the name “Audit” should be incorporated into the name of the Board of Visitors committee charged with oversight of the audit function; the staff size of the internal audit department should be increased; there should be a link between the responses to the annual risk assessments that internal audit conducts and the audit plan that is developed to provide more clarity; and a balanced scorecard of performance measures should be created and provided to the President and the Board.

Capital Project Update

Mr. Chris Willis Assistant Vice President for Finance & Administration and Chief Facilities Officer, provided the Committee with an update on the University’s Capital Projects, which is attached hereto as Attachment C and is made a part hereof.

General Assembly Update

Ms. Lisa Ridpath, Associate Vice President for Finance & Administration, provided information regarding legislation considered during the 2013 session of the General Assembly, noting that the University received approximately $400,000 of additional funding for financial aid. A copy of the General Assembly update provided by Ms. Ridpath is attached hereto as Attachment D and is made a part hereof.
2012 Write-Offs Report
