WHAT IF AN ACTIVE SHOOTER IS IN THE BUILDING?

RUN

Have an escape route and plan in mind. • Leave your belongings behind. • Keep your hands visible. • Create distance between you and the active assailant. • Call 911 when it’s safe to do so.

HIDE

Be out of the active assailant's view. • Lock and barricade doors. • Remain out of sight and quiet. • Silence your phone. • Turn off lights. • Close blinds.

FIGHT

_last resort to be used only when your life is in imminent danger._ • Attempt to disrupt or incapacitate the attacker. • Find an object to use as a weapon, such as a fire extinguisher or chair. • Act as aggressively as possible against the assailant. • Throw items and improvise weapons. • Yell. • Commit to your actions.

Stay calm.
