The screenshot shows the StudentLoans.gov website interface. At the top, the browser address bar displays the URL <https://studentloans.gov/myDirectLoan/index.action>. Below the address bar, there are several browser tabs and extensions, including "Apps", "Google Earth", "Imported From Edge", "lexington, nc - Goo...", "MIX 105.1 on Radio...", "NCAA Apps Login", and "NCAA Applications".

The website header features the "Federal Student Aid" logo with the text "in OFFICE of the U.S. DEPARTMENT of EDUCATION" below it, followed by the "StudentLoans.gov" logo. To the right of the logo, there are links for "Log In" and "Español", and a "MENU" button.

The main content area is a large banner image of four diverse students smiling. Overlaid on the right side of the banner is a white box with a blue "LOG IN" button. Above the button, the text reads "Log in to StudentLoans.gov with your verified FSA ID". Below the button, there are two links: "Create an FSA ID" and "Natural Disasters".

At the bottom of the banner, there is a semi-transparent dark bar with the text "Find out your student loan repayment options here" and a double arrow icon.

Below the banner is a navigation bar with four categories, each represented by a green circular icon and a text label:

-  Undergraduate Students
-  Graduate/Professional Students
-  Parent Borrowers
-  Repayment & Consolidation

Have you compared the cost with the awards to determine the amount you may have to pay?
