6th Annual Summer Research Celebration

October 24, 2018
11am to 6pm Kyle Hall 340
This past summer, a group of amazing student-faculty collaborative projects were funded through the Summer Undergraduate Research Fellowships (SURF) program. Today they will get the opportunity to tell their stories and accomplishments. We are grateful for your participation in today’s events and hope that they inspire you to achieve similar results, adding to the knowledge and work in your fields of study.
