1. PURPOSE

The Fee Policy for Radford University (University) outlines the requirements for establishing new, modifying existing, and waiving any fees.

2. APPLICABILITY

The Fee Policy is applicable to any division or department of the University requesting to establish, modify, or waive any fee.

3. DEFINITIONS

Division Head: President, Provost, or applicable Vice President.

Fee: Any rate charged by the University other than tuition, mandatory educational and general (E&G), comprehensive, room, and board fees.

4. POLICY

A. Code of Virginia § 23.1-1301.A.5. authorizes the Radford University Board of Visitors to “fix the rates charged to students of the University for tuition, mandatory fees, and other necessary charges.” The Board of Visitors exercises this power by approving tuition and related rates for each academic year.

B. In a resolution approved February 15, 2018, the Board of Visitors delegated authority to the Vice President for Finance and Administration & Chief Financial Officer (VPFA/CFO) “to approve the establishment, modification, or waiver of any and all fees other than tuition, mandatory education and general (E&G), comprehensive, room, and board fees charged to all students”. The resolution further stated that this delegated authority “includes the establishment and negotiation of rates, including the offering of volume discounts to businesses and organizations, for limited educational programs.

C. University divisions or departments must not establish, modify, or waive any fee(s) charged to any group(s) and/or person(s) without prior approval from the VPFA/CFO.

D. Any division or department currently charging a fee, which has not been previously approved, or documentation of the approval is not on file, must submit a completed Fee/Waiver Request Form (see Appendix) to the Office of Budget and Financial Planning for consideration. The
form must include sufficient documentation to justify the fee request. The form should only
be used for programs that are currently approved by the University.

E. All payment collections for fees under this policy must be in compliance with the University’s
   Funds Handling Policy.

F. While there is no annual deadline to submit the Fee/Waiver Request Form for approval, to the
   greatest extent possible, it should be aligned with the annual budget development process.

5. PROCEDURES

A. Departments requesting to establish a new fee, or modify or waive an existing fee, must
   complete and submit a Fee/Waiver Request Form (see Appendix) through their respective
   supervisory channel, including the Division Head, for review and approval. The Fee/Waiver
   Request Form must include detailed documentation justifying the request.

B. Upon his/her approval, the Division Head must forward the Fee/Waiver Request Form to the
   Office of Budget and Financial Planning for review and evaluation of all fiscal implications
   associated with the request.

C. The Office of Budget and Financial Planning will return the Fee/Waiver Request Form to the
   Division Head with recommendations, or forward to the VPFA/CFO for consideration and
   approval.

D. If approved by the VPFA/CFO, the Office of Budget and Financial Planning will retain the
   original Fee/Waiver Request Form and will provide an electronic copy to the requesting
   department, the Division Head, and the University Controller’s Office.

10. APPROVAL AND REVISIONS

   Procedures related to the establishment, modification, or waiver of fees were developed and
   distributed as an annual memorandum beginning in July 2006 and continuing until March 2013.

   The existing University Fees Memorandum was revised and developed into the formal Fee Policy
   and related procedure, and formatted in the new templates in July 2013.
The *Fee Policy* and related procedure were submitted to the President’s Cabinet for review on October 16, 2013. They were approved unanimously, and President Kyle signed the *Fee Policy* on October 16, 2013.

Effective October 1, 2016, the *Fee Policy* and related procedure were reviewed by the oversight department and the Office of Policy Compliance. Minor editorial changes were made, but no substantive changes were made that would affect the content or intent of the policy.

Effective January 23, 2020, the *Fee Policy* and related procedure were incorporated into the current University Policy template. Section 4.B. of the policy was amended to incorporate revised language approved by the Board of Visitors.
