Instructions - Form W- 9S

Purpose In order for Radford University to properly file Form 1098-T, Tuition Statement, with the IRS and provide a statement to you, Radford University must obtain your correct identifying number. This will be your Social Security number (SSN) or, if you are not eligible to obtain an SSN, your individual taxpayer identification number (ITIN). Form 1098-T contains information about qualified tuition and related expenses to help determine whether you, or the person who can claim you as a dependent, may take either the tuition and fees deduction or claim an education credit to reduce Federal income tax. For more information, see IRS Pub. 970, Tax Benefits for Higher Education.

Under federal law, you are required to provide the requested information.

PART I Enter your name and mailing address. The name should match that used by the Social Security Administration or Internal Revenue Service.

Enter your Individual Taxpayer Identification Number or Social Security Number. If you do not have an SSN or ITIN, apply for one and fill out and return this form when you receive it.

PART II Sign your name in the space provided to confirm the information provided. University employees cannot change your records without your signature.

PART III Please fill out this part only if you are unwilling or unable to provide a taxpayer identification number. Check either the first or second box and sign the statement. By law, Radford University must ask you at least once a year for your Taxpayer Identification Number in order to meet its obligation to file Form 1098-T.

Deliver or mail the completed form to the address provided. **Do not email the form.** Email is NOT a secure way to transmit personal information.

Penalties - Form W- 9S
