

MISSION STATEMENT

The mission of the Department of Procurement and Contracts is to support the purpose and goals of Radford University -- its educational, research, and public service missions -- by purchasing and providing quality goods and services at competitive prices, proper financial stewardship for payments, and providing responsive and responsible service to all University departments.

We achieve our mission by dedication to excellence in customer service, providing avenues of access to businesses, processing orders in a timely manner, streamlining operations, pursuing cost savings, identifying new sources of supply, developing relationships with small, minority, and women-owned vendors, and complying with all laws of the Commonwealth of Virginia.
