I. Introduction:

- a. Selection of Committee Chair – Matthew Brunner
- b. Selection of Committee Secretary – Olga Pogorelsky

II. New Proposals:

Anthropological Sciences Program, School of Environmental and Physical Science

0910.ANSC.01 – New Course

- Addition of ANSC 101: Human Origins and Biocultural Evolution
- **Proposal was approved pending minor revisions.**

English

0910.ENGL.01 – Course Prerequisite Change

- Change prerequisite for ENGL 201, ENGL 202, and ENGL 203 to CORE 101. Change prerequisite for ENGL 300 to CORE 101 and CORE 102. Add prerequisite of CORE 101 and CORE 102 to other 300 and 400 level English classes.
- **Proposal was approved and forwarded to Dr. Stanton for final approval.**

0910.ENGL.02 – Program Revision

- Change to require CORE 101, CORE 102, ENGL 300, and 12 more semester hours with ENGL prefix, of which 9 must be on the 300- or 400- level. Clarify to add that the minor in English does not provide licensure to teach.
- **Proposal was approved and forwarded to Dr. Stanton for final approval.**
