

VEAC Initial Program Employer Survey of Completers Results AY 2024-23: *Item IG*

The VEAC survey items are aligned to [InTASC](#) and [VUPS](#) standards. The EPP uses item IG (*engages in practices that result in acceptable, measurable, and appropriate student academic progress*) to evaluate completer impact on P-12 student learning and growth. The AY 2023-24 employer response rate was 39 percent. For AY 2023-24 our completers received an overall mean of 3.17/*proficient*. The overall VEAC mean of participating institutions was 3.26/*proficient*.
