Your Support Network

Academic Help

> Academic Advising

www.radford.edu/advising

Your academic advisor is one of your most important partners during your time at Radford University.

Advisors help you understand degree requirements, select courses, explore majors and career goals and connect with campus resources that support your success. Whether you already know your academic path or are still exploring your options, your advisor is here to help you navigate your college journey with confidence.

> Tutoring & Academic Support

www.radford.edu/harvey-center

Every student needs support sometimes, and successful students know when to ask for it. Radford University offers tutoring and academic support services designed to help you strengthen study strategies, improve course understanding, prepare for exams and build confidence in the classroom. Tutoring is a normal and valuable part of the college experience, and students are encouraged to utilize support resources early and often.

> Highlander Success Center

www.radford.edu/highlander-success

The Highlander Success Center connects students with resources that support academic achievement, transition, engagement and persistence. Through programs such as academic coaching, peer support, tutoring connections and student success initiatives,

the center helps students develop the skills and strategies needed to thrive at Radford University. The Highlander Success Center is here to help students stay connected, supported and on track throughout their college experience.

> Center for Accessibility Services (CAS)

www.radford.edu/cas

The Center for Accessibility Services (CAS) works to ensure equal access and opportunity for students with documented disabilities. CAS partners with students, faculty and staff to provide accommodations and support services that promote student success and inclusion. Students are encouraged to connect with CAS as early as possible to discuss available resources and establish accommodations that support their learning experience at Radford University.

Financial Questions

> Financial Aid

www.radford.edu/fin-aid

The Office of Financial Aid helps students and families navigate scholarships, grants, loans, work-study opportunities, and financial planning for college. The financial aid process can sometimes feel overwhelming, but the staff is available to answer questions, explain options and help students understand the steps needed to maintain eligibility and successfully manage their financial aid throughout the academic year.

> Bursar

www.radford.edu/bursar

The Bursar's office assists students and families with billing, tuition payments, payment plans, refunds, and account questions. Understanding your student account and important payment deadlines is an essential part of preparing for the semester. The Bursar's office is available to help students and families navigate financial processes and stay informed about account responsibilities.

Well-being

> Student Health Services

www.radford.edu/student-health

Your health and well-being matter. Student Health Services provides medical care, wellness support and health education to help students stay healthy and successful throughout the academic year. Whether you need treatment for an illness, preventative care or general health guidance, the staff is committed to supporting your physical well-being while you are part of the Highlander community at Radford University.

> Counseling Services

www.radford.edu/student-counseling

College can bring exciting opportunities, new challenges and moments of stress or uncertainty. Counseling Services provides confidential mental health support and resources to help students manage personal concerns, emotional well-being, stress, relationships and life transitions. Seeking support is a sign of strength, and students are encouraged to prioritize their mental and emotional well-being throughout their college experience at Radford University.

Safety

> Campus Police

www.radford.edu/police

The safety of our students, faculty, staff and visitors is a top priority at Radford University. The Radford University Police Department is available 24/7

and works closely with the campus community to provide a safe and supportive environment. Officers assist with emergency response, safety education, escorts, parking enforcement and community engagement initiatives designed to help students feel informed, supported and secure on campus.

> Emergency Management

www.radford.edu/emergency-management

Emergency Management at Radford University helps the university prepare for, respond to and recover from emergencies and critical incidents. The office works collaboratively with campus departments, local agencies and university leadership to support emergency planning, safety training, preparedness initiatives and campus communication during emergencies. Through proactive planning and education, Emergency Management helps promote a safe, informed and resilient campus community for all Highlanders.

> Housing & Residential Life

www.radford.edu/housing

Housing and Residential Life staff, including Resident Assistants (RAs) and professional staff members, are here to support students. From roommate questions and community standards to campus involvement and personal support, the housing team helps students feel connected and at home on campus.

Emergency Information

Radford University Police Department

The Radford University Police Department, or RUPD, works to provide a safe environment for all students, faculty, staff and visitors through:

- Response to emergency and non-emergency calls
- Well-being checks on students when concerns arise
- Providing safety escorts on campus by request 24/7

Radford University Carilion Safety

Security cameras throughout the hospital and the parking garage are monitored 24/7 at Radford University at Carilion. Prox cards allow only RUC students, faculty and staff to access certain parts of the site, including study areas. Students living in the Patrick Henry will also use their Prox card to access residential facilities. Carilion Police work in tandem with RUPD to handle any situations or security concerns.

Safety Resources

Blue Light Phones

Blue emergency phones placed around campus and near parking lots immediately connect callers to a police dispatcher.

Radford Alerts

Students are automatically enrolled to receive Radford Alert messages through cellphone calls, SMS messaging and email addresses. Students can review and update their phone number and personal email address in OneCampus.

RadfordSafe App

This app provides the capability to submit reports for suspicious or violent activities, access emergency information and summon emergency help quickly by using location data. Download this app from Google Play or the App Store.

Anonymous Tips

If you see something, say something. Anyone can report anonymous tips on the RUPD web page or via the RadfordSafe app.
