Installation and Dismantle Labor ordered on these pages is for work in your booth during installation and dismantle only. You do not need to order labor for services such as material handling and delivery of rental items described elsewhere in this kit.

**PLAN A - Labor Supervised by HOLLINS**

HOLLINS will supervise labor per your instructions to:

- Unpack your exhibit
- Install your exhibit prior to your arrival
- Dismantle and pack your exhibit after show closing
- Arrange outbound shipping

HOLLINS will not unpack or re-pack exhibitor product/merchandise without the exhibitor present. Plan A Labor proceeds with the exhibitors approval without the exhibitor present and incurs a supervision fee. In addition to the published labor rate, a supervision fee of 30% (with a minimum of one hour) will apply for both installation and dismantle. Work will be done on straight time whenever possible; however, overtime charges will apply when necessary. A minimum charge of one hour applies per man; time will be charged in hourly increments thereafter. Labor schedules are subject to freight move-in and move-out schedules.

**IMPORTANT:** Complete and return the I&D Critical Information page with your Plan A Labor order.

**PLAN B - Labor Supervised by Exhibitor**

HOLLINS will provide labor to install/dismantle your exhibit; we will NOT proceed without your supervision. Requested start times cannot be guaranteed; however, every effort will be made to meet all requests. A minimum charge of one hour applies per man; time will be charged in hourly increments thereafter. Labor schedules are subject to freight move-in and move-out schedules.

Exhibitor MUST check in at the Service Desk to call for labor. Failure to call for labor at requested time will result in a no-show fee of one hour per man requested, unless cancelled by 11:00 a.m. on the day prior. Orders for labor received at show site are processed after advance orders.

Upon completion of work an exhibitor representative must return to the Service Desk to review the completed work ticket and confirm accuracy of the work order. No adjustments will be made after the fact.

**Please Note:**

1. **Gratuities in any form, including cash, gifts or labor hours for work not actually performed are prohibited by HOLLINS.**
2. **HOLLINS will not be responsible for any loss or damage as the result of exhibits improperly packed by the exhibitor.**
3. **Invoices for labor charges will be calculated according to actual hours worked.**

**Please use the following pages to order Installation and Dismantle Labor.**
PLEASE INDICATE SERVICE DESIRED:

☐ PLAN A - SUPERVISION BY HOLLINS: *Please complete this form AND the I&D Critical Information form (next page).*

**Material Handling**, also known as "Drayage", is the unloading of your exhibit materials, delivery to your booth, handling of empty containers to and from storage, and removal of your materials from your booth onto your outbound carrier. This is NOT to be confused with the cost of transporting your exhibit material to/from the event.

- **Benefits of Shipping in Advance to the HOLLINS Warehouse:**
  - Storage of materials for up to 30 days prior to the show.
  - Delivery of shipments to your booth by the designated start time on the first day of exhibitor move-in (schedule permitting).
  - Having a designated receiving point; some hotels and convention centers will not receive advance shipments.
  - Saves time during move-in.

- **How to ship in Advance to the HOLLINS Warehouse:**
  - Remove all old labels.
  - Fill out and securely attach enclosed Advance shipping label.
  - Ensure your materials are properly packed to avoid damage during shipment. Do not ship uncrated materials to the warehouse.
  - Complete the enclosed Material Handling order form.
  - Confirm receipt of your materials with your carrier prior to leaving for the show.
  - All shipments must have a Bill of Lading or delivery slip showing the piece count, weight, and type of materials.
  - Certified weight tickets must accompany all shipments.

- **How to ship in Advance to the Show Site:**
  - Consign all shipments c/o HOLLINS Exposition Services.
  - Remove all old labels.
  - Fill out and securely attach enclosed Show Site shipping label.
  - Ensure your materials are properly packed to avoid damage during shipment.
  - Complete the enclosed Material Handling order form.
  - Confirm receipt of your materials with your carrier prior to leaving for the show.
  - All shipments must have a Bill of Lading or delivery slip showing the piece count, weight, and type of materials.
  - Certified weight tickets must accompany all shipments.

- **Freight Carriers:**
  - Select a carrier with experience in handling exhibition materials. Whenever possible, use the official show carrier. Be sure your selected carrier has specific information on when and where to check in. As trade show target freight schedules can vary, be sure your carrier is ready to meet the delivery schedule as listed in this exhibitor kit. While making plans to ship to the show, also make plans for the return shipment.

- **Tracking Shipments:**
  - Confirm your delivery date and time with your carrier. Ensure your representative at the show has all the pertinent information to track your shipment.

- **Estimating Material Handling Charges:**
  - Billed weight is based on incoming weight only, whether the above services are used in whole or in part. The weight is rounded up to the next one-hundred pounds (100 lbs.) and is taken from the INBOUND Bill of Lading and/or the Certified Weight Ticket. Shipments arriving without a specified weight on the "bill of lading" will be assigned an approximate weight by HOLLINS. This weight estimate will prevail.
  - **Crated**: Material that is skidded, or is in any type of container that can be unloaded at the dock with no additional handling required.
  - **Uncrated**: Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks.

LIMITATIONS OF HOLLINS EXPOSITION SERVICES’ LIABILITY AND RESPONSIBILITY

1) HOLLINS shall not be responsible for damage to uncrated materials, materials improperly packed, or concealed damage.

2) HOLLINS shall not be responsible for loss, theft, or disappearance of your materials after they have been delivered to your booth.

3) HOLLINS shall not be responsible for loss, theft, or disappearance of materials before they are picked up from your booth for loading out after the show. "Bills of lading" furnished to HOLLINS by you that cover outgoing shipments will be checked at time of pickup from the booth and corrections made where discrepancies occur.

4) HOLLINS shall not be liable (to any extent whatsoever) for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs which may result from loss or damage to your material which may make it impossible or impractical to exhibit same.

5) The consignment or delivery of a shipment to HOLLINS by you, or by any shipper on your behalf, shall be construed as an acceptance by you, and/or other shipper, of the terms and conditions as set forth in this document.

6) HOLLINS shall exercise ordinary diligence and care in the receiving, handling, and storage of all shipments. HOLLINS shall not be liable for loss or damage by fire, acts of God, strikes, or causes beyond its control. HOLLINS’ liability shall be limited to the physical loss or damage to the specific article which is lost or damaged. In any case, the liability of HOLLINS is limited to the lesser of fifty cents ($0.50) per pound per package, one-hundred dollars ($100) per package, or one thousand five-hundred dollars ($1,500) per occurrence. This applies while said goods are in HOLLINS’ warehouse, vehicles for delivery, or possession at show site.

7) Claims for loss or damage which are not submitted to HOLLINS within thirty (30) days of the show at which the loss or damage occurred, shall be considered waived. No suit or action shall be brought against HOLLINS or its subcontractors more than one (1) year after the accrual of the cause of action therefor.

8) Shipments received without receipts, freight bills, or specified unit counts on receipts or freight bills (i.e., one lot, 800 cu. ft., etc. - such as UPS or van lines), will be delivered to your booth without guarantee of piece count or condition. No liability will be assumed by HOLLINS for such shipments.

9) Empty container labels will be available at the HOLLINS Service Desk. Affixing the labels is your responsibility. All previous labels should be removed or completely covered. HOLLINS assumes no responsibility for errors to the aforementioned procedure, removal of containers with old empty labels and without HOLLINS labels, improper information on empty labels, or valuables stored in containers with empty labels.

10) You should arrange for outgoing shipments during the show or immediately after its close. HOLLINS will assist in the preparation of "bills of lading". Be sure your material is carefully crated or packed, and properly tagged or marked.

11) To expedite removal of materials, HOLLINS shall have the authority (without further clearance from you) to change designated carriers.

12) Labor and services ordered on your behalf by a display builder or other party, must be so authorized in a letter from you. Payment for all labor and services will be your responsibility.

13) You are responsible for all material handling charges for shipments consigned to you or your booth. Also, you are responsible for all material handling charges for shipments from you or your booth. You may not assign this responsibility to suppliers or customers. Any financial penalty incurred because of an inappropriate address, collect shipment, early arrival causing reconsignment charges, storage, etc., will be your responsibility.

14) Where you indicate a choice of carrier for pickup other than the Official Show Carrier, it is your responsibility to arrange with said carrier for pickup. If the carrier does not pick up within the time limit for removal of your material from the exhibit hall, we reserve the right to forward the material by the shipping method of our choice, or to remove the material to our warehouse for disposition - at an additional charge to you in accordance with prevailing rates for the service performed.

15) HOLLINS will not be responsible for material left behind without orders placed at the HOLLINS Service Desk. Material left behind without orders placed at the HOLLINS Service Desk may be classified as abandoned.

16) HOLLINS will not be responsible for any delay of shipments. We will expedite shipments to the best of our ability; but, will not assume any financial responsibility for shipments which do not arrive at their destination at a specified time.

17) YOU ARE URGED TO CARRY ALL-RISK INSURANCE covering your materials against damage, loss, and all other hazards - from the time shipments are made prior to the show, until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost. It is understood HOLLINS is not an insurer. Insurance, if any, must be obtained by you.
